| 显示屏尺寸 | 2.0                      |
| 充电接口  | TYPE-C                   |
| 链接方式  | WiFi热点配对连接               |
| 配件    | 挂绳*2, 充电线*1, 贴纸*1, 说明书*1 |

### 温馨提醒

1.不要使用快速充电适配器为相机充电, 这可能会造成损坏, 请使用5V 1A适配器进行充电。

2.禁止使用多芯充电电缆 (2合1、3合1、4合1), 这可能会损坏机器。

3.建议在空旷的地方使用, 如有水泥墙的障碍物阻挡, 将会缩短传输距离到100-150M.

#### FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- - Reorient or relocate the receiving antenna.
- - Increase the separation between the equipment and receiver.
- - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- - Consult the dealer or an experienced radio/TV technician for help.

#### FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1)This device may not cause harmful interference, and
- (2)This device must accept any interference received, including interference that may cause undesired operation.
