EUT View 9	 A black rectangular device is shown from a top-down perspective. It has a square sensor area in the center, which appears to be a fingerprint scanner. The device is placed on a blue textured surface. A black cable is connected to the bottom of the device. A ruler is placed to the left of the device, showing measurements in centimeters and millimeters.
EUT View 10	 A black rectangular device is shown from a top-down perspective. It has a circular sensor area in the center, which appears to be a fingerprint scanner. The device is placed on a blue textured surface. A black cable is connected to the top of the device. A ruler is placed to the left of the device, showing measurements in centimeters and millimeters.
