

# 1. Antenna Description:

|                 |                                                                                                                         |
|-----------------|-------------------------------------------------------------------------------------------------------------------------|
| Antenna type    | PCB antenna                                                                                                             |
| Model           | 433 Wireless Remote Controller 018 Model                                                                                |
| Frequency range | 433.92MHz                                                                                                               |
| Manufacturer    | SHENZHEN YAOSHUN NETWORK TECHNOLOGY CO.,LTD                                                                             |
| Address         | Room 302, 3rd Floor, GaiNianKongJiang Building , No.85 JianHui Road, Yucui Community, Longhua District, Shenzhen, China |
| ANT Peak Gain   | 0.85 dBi                                                                                                                |

# 2. Antenna Photo:

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
