

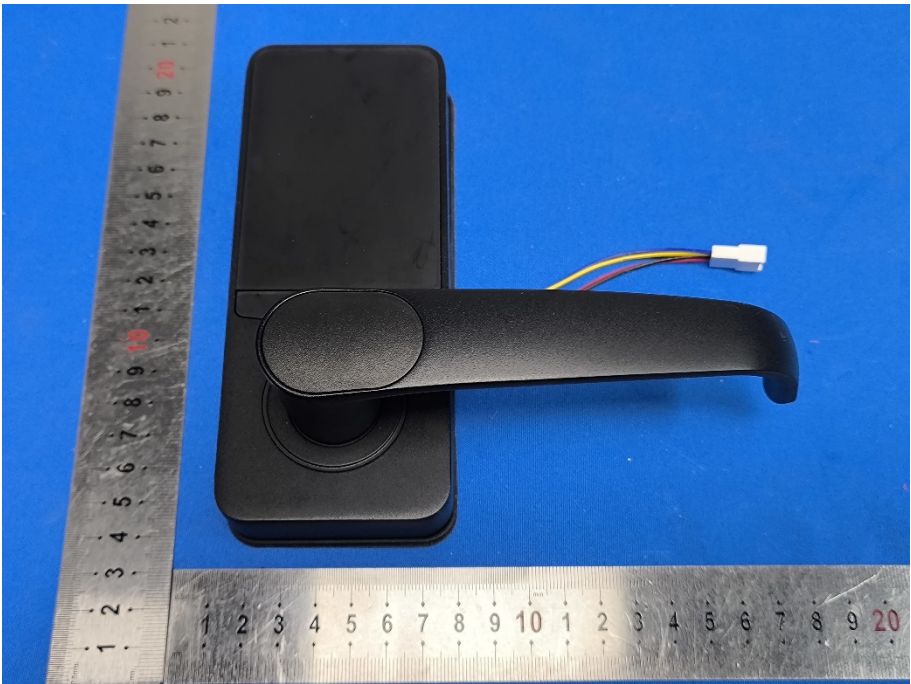

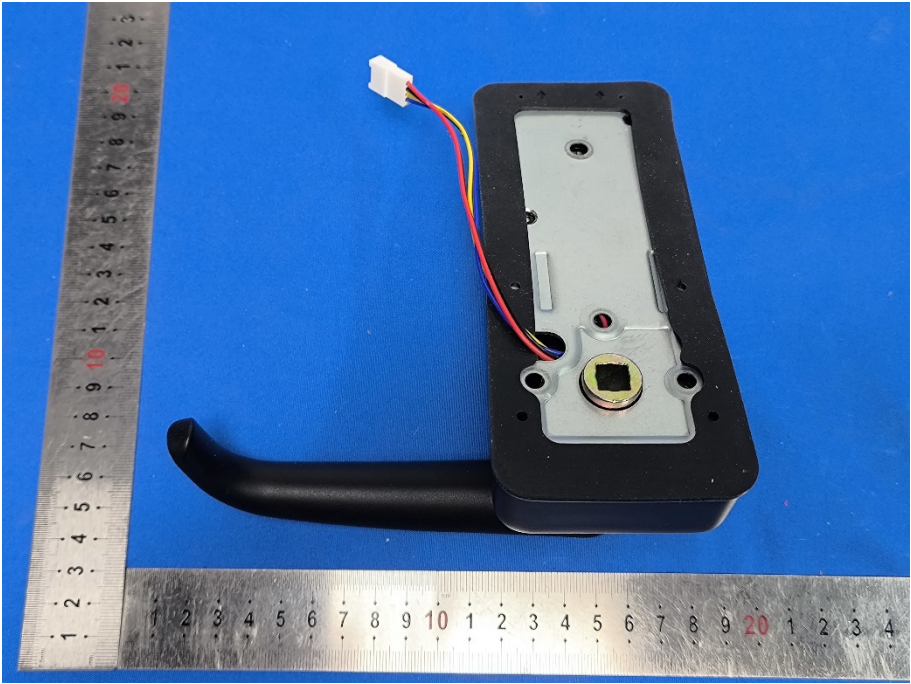

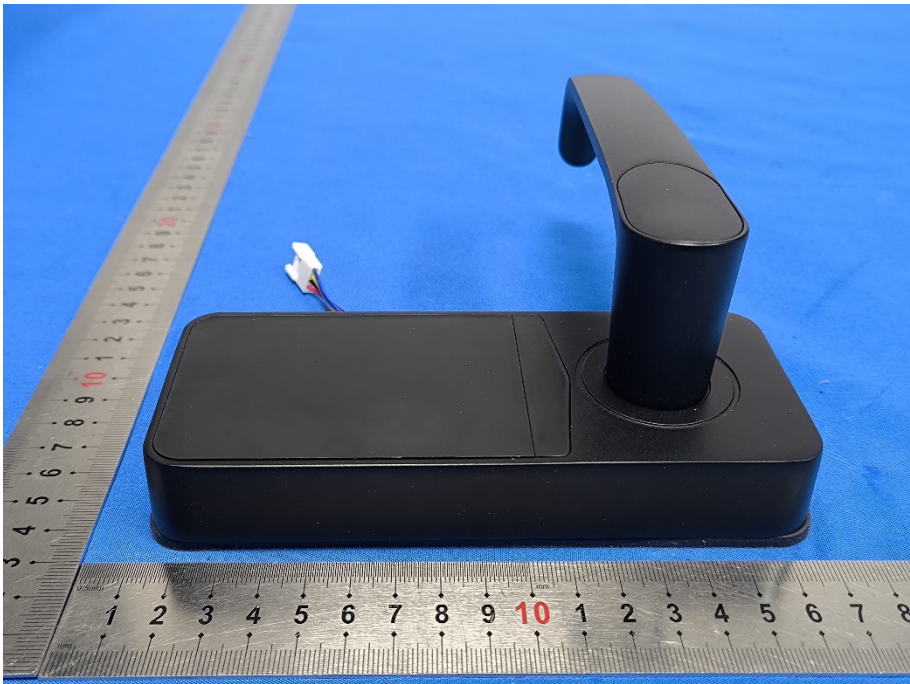

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing various electronic components and two black plastic door handle assemblies. The components include two green printed circuit boards (PCBs) with wires, two metal mounting brackets, a small white plastic component, a key, and a collection of small metal pins or screws. The two door handle assemblies are positioned at the bottom of the frame. A metal ruler is placed vertically on the left side of the components for scale.
EUT View 2	 A close-up photograph of a black plastic door handle assembly. A multi-colored cable (yellow, red, blue, green) is connected to the back of the handle. A metal ruler is placed vertically to the left of the handle for scale.

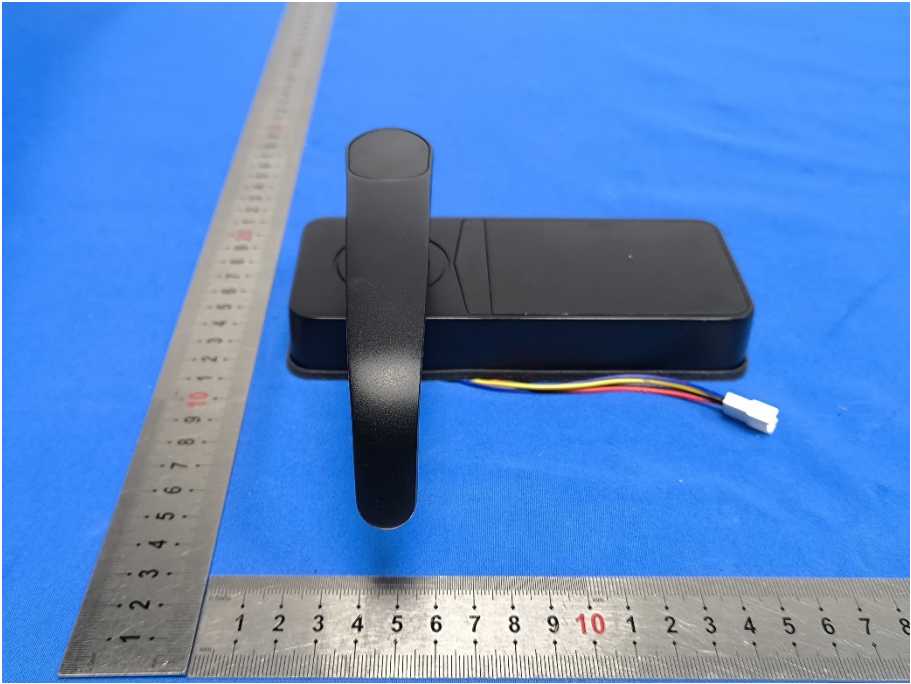

EUT View 3	 A photograph of a black electronic device, likely a door handle, shown from a side-top perspective. The device has a silver metal plate on its face with a yellow circular component in the center. A small white connector with three colored wires (red, yellow, blue) is attached to the top. The device is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in centimeters and millimeters.
EUT View 4	 A photograph of the same black electronic device, shown from a side-bottom perspective. The device has a curved handle. It is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in centimeters and millimeters.

EUT View 5

EUT View 6

EUT View 7	 A black electronic device, likely a mobile phone or PDA, is shown from a side profile. It has a vertical antenna extending from the top. A multi-colored cable (yellow, red, blue, green) is connected to the bottom. The device is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in centimeters and inches.
EUT View 8	 A black electronic device, likely a mobile phone or PDA, is shown from a front-facing perspective. It has a horizontal antenna extending from the top. A white cable is connected to the bottom. The device is placed on a blue surface next to a metal ruler for scale. The ruler shows measurements in centimeters and inches.
