

Solder Board-Component View 9	 A photograph of a rectangular blue solder board component with 12 circular solder pads arranged in a 3x4 grid. The component is placed on a blue fabric background next to a metal ruler. The ruler has markings in millimeters (0 to 10) and centimeters (1 to 10). The component's dimensions are approximately 10mm by 10mm. Text on the component includes "SN-274-T-2" and "50-22-2".
Solder Board-Component View 10	 A photograph of a circular solder board component with a central circular pad and several smaller pads around the perimeter. The component is placed on a blue fabric background next to a metal ruler. The ruler has markings in millimeters (0 to 6) and centimeters (1 to 6). The component's diameter is approximately 10mm. Text on the component includes "BHX11-1001" and "01-0".

Solder Board-Component View 11	 A photograph showing a circular solder component on a blue background. A metal ruler is placed vertically to the left and horizontally below the component for scale. The vertical ruler shows markings from 1 to 8 mm. The horizontal ruler shows markings from 1 to 6 mm. The component is approximately 4 mm in diameter.
Antenna View 1	LE Antenna  A photograph of a blue printed circuit board (PCB) with various electronic components. A red box highlights a small component on the left side of the board, which is labeled "LE Antenna" in a red-bordered box. A red line points from the label to the highlighted component. A metal ruler is placed vertically to the left and horizontally below the PCB for scale. The vertical ruler shows markings from 1 to 10 mm. The horizontal ruler shows markings from 1 to 8 mm.
