

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the top-down view of a black, rectangular electronic device (EUT) and its three internal components (two square and one circular) laid out on a blue surface next to a ruler for scale. The ruler is positioned vertically on the left side of the image, with markings in centimeters and millimeters. The EUT is a black, rectangular device with a semi-circular cutout at the top. The three internal components are laid out to the right of the EUT: two square components with four circular holes each, and one circular component with a semi-circular cutout. The components are arranged in a row, with the square components on the left and the circular component on the right.
EUT View 2	 A photograph showing the front view of the black, rectangular electronic device (EUT) next to a ruler for scale. The ruler is positioned vertically on the left side of the image, with markings in centimeters and millimeters. The EUT is a black, rectangular device with a semi-circular cutout at the top and a small, vertical slot near the bottom center.
