Solder Board-Component View 7	 A photograph of a small, square electronic component, likely a microcontroller or sensor module, mounted on a blue textured surface. The component is dark green with a central square chip and several gold-colored pins. It is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 40mm by 40mm.
Solder Board-Component View 8	 A photograph of the same electronic component from a different angle, showing the underside or a different side. The component is dark green with a central square chip and several gold-colored pins. It is positioned next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions of approximately 40mm by 40mm.
