

Solder Board-Component View 11	 A photograph showing a small, rectangular, blue electronic component with gold-colored solder pads. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	WIFI Antenna  A photograph showing the internal components of a device, including a circuit board, various connectors, and a coiled antenna. A red box highlights a component labeled "FS-085-AA". A red line points from the "WIFI Antenna" label to the antenna. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).

Antenna View	 This photograph shows a circuit board with various components. A red box labeled "Bluetooth Antenna" points to a small component on the board. A ruler is placed next to the board for scale.
Antenna View	 This photograph shows a different view of a circuit board. A red box labeled "NFC Antenna" points to a square component on the board. A ruler is placed next to the board for scale.

NFC Antenna
