

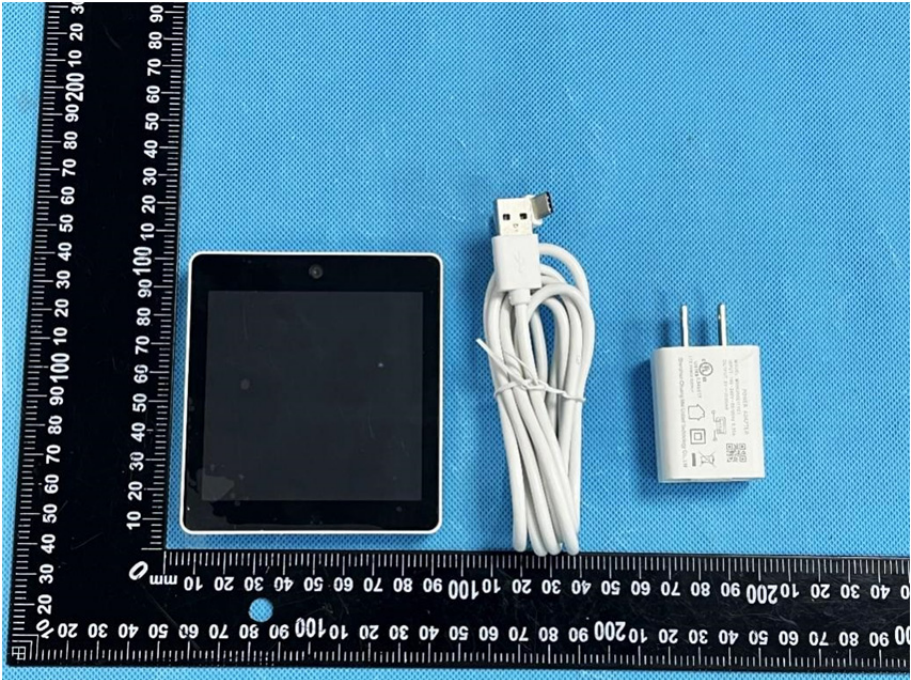

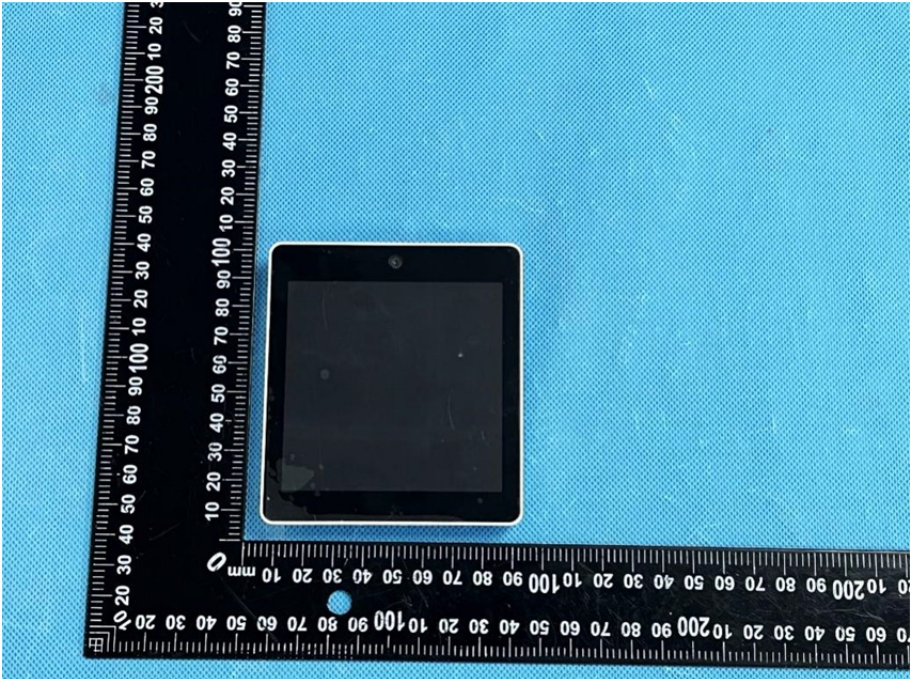

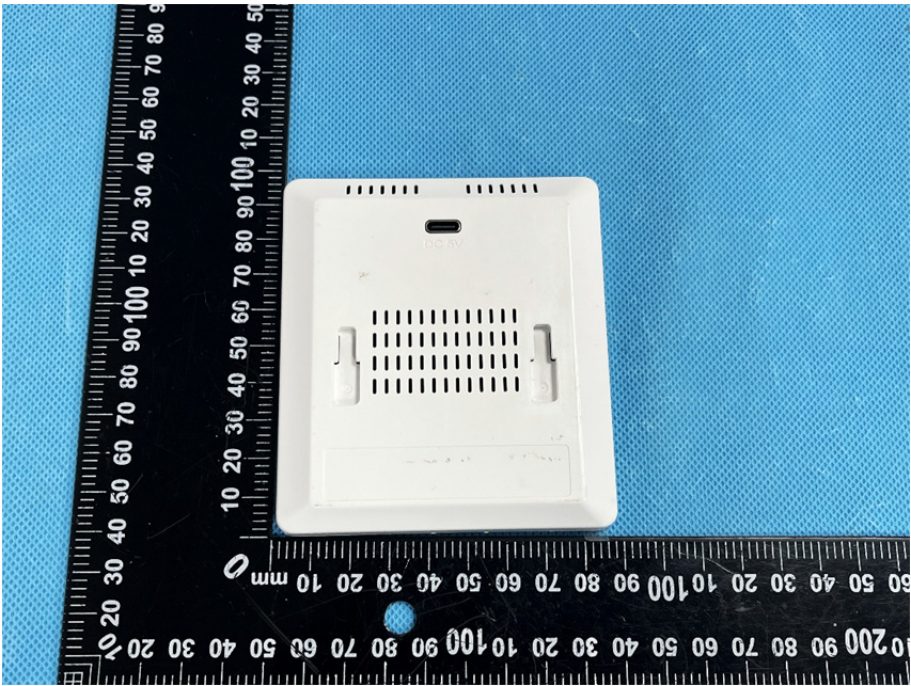

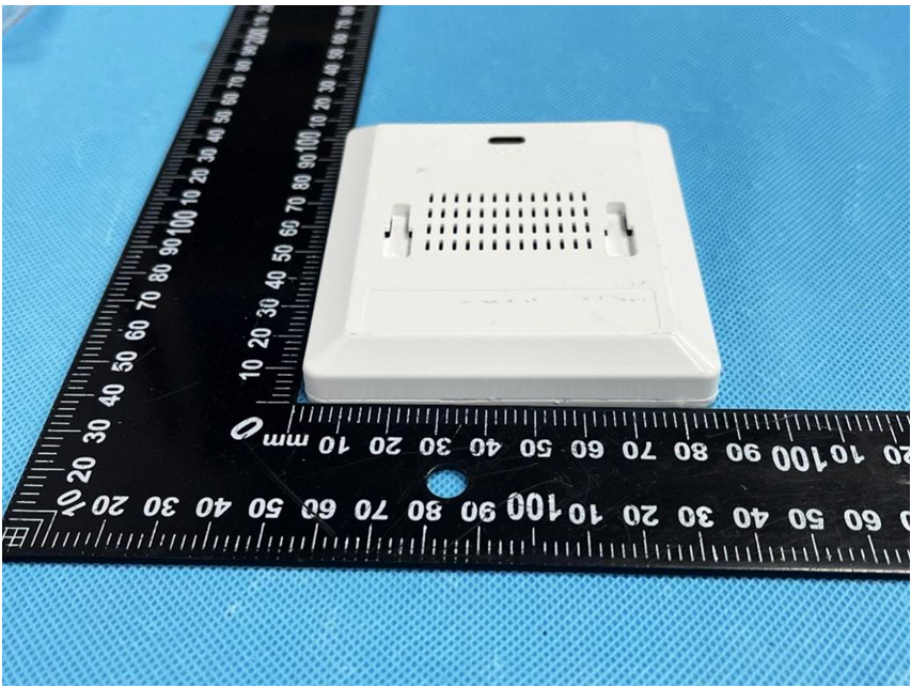

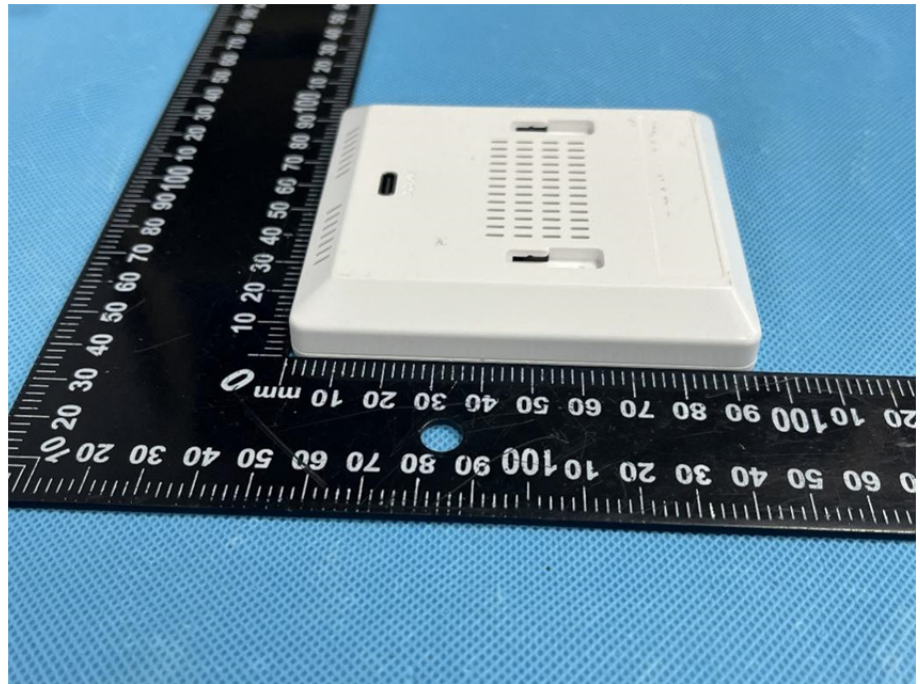

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

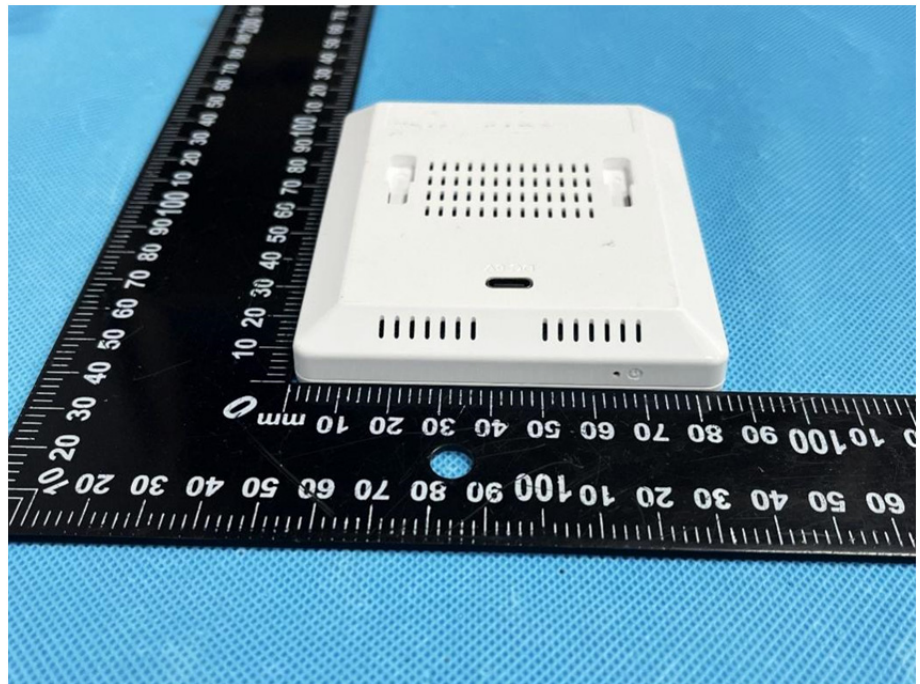

EUT View 1	
EUT View 2	

EUT View 3	 A photograph of a white rectangular electronic unit, likely a USB-to-serial converter, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the unit. The unit features a USB Type-A port at the top, a series of small ventilation holes in the center, and two small rectangular slots on the sides. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A photograph of the same white rectangular electronic unit from a slightly different angle, showing the top and front. It is placed on the same blue textured surface next to the same black ruler. The unit's features, including the USB port, ventilation holes, and side slots, are visible. The ruler provides a scale for the unit's dimensions.
