Solder Board-Component View 4	 A photograph of a black printed circuit board (PCB) with various electronic components. A ruler is placed horizontally at the top, showing measurements from 0 to 100 mm. The PCB features a large central chip labeled 'Rayson RS1032LX4', a smaller chip labeled 'Kimtigo', and other components like 'RC_PF1021'. The board is populated with numerous surface-mount components and solder joints.
Antenna View	 A photograph of the underside of a device, showing the internal components. A red line points to a small antenna component labeled 'WIFI/BT ANT'. Other visible components include a battery, a SIM card slot, and various electronic components. The device is shown in a disassembled state, with the back cover removed.
