

IN THE BOX

1

1. Eiliko x1
2. User Manual x1
3. USB-C Cable x1

2

3

1. Get to Know Eiliko

1.1 Body & Button

2. Interact with Eiliko

2.1 Different Interactions

Pet for fun

Shake to spin

Double-Press
for show

Triple-press to
mute/unmute

*After you stop interacting with Eiliko, it will typically enter an idle state (manifesting as self-amusement) for a while before powering OFF.

2.2 Emotion Engine

Pet more, fun more.

3. Gameplay

3.1 Voice Interaction

Say "Hi Eilik" to wake up.

Voice Command Library

Awesome
Kiss me
Make a face
Surprise me
So cute
Give me strength
Give me five
Good luck
Love you
Happy birthda
Congratulations

3.2 Voice Chat

3.2.1 Network Configuration

1. Download the EnergizeLab APP on your mobile device.

2. Open the APP, register an account, and log in. Click “+” to add a device.

3. Ensure the device is powered ON. Say "Hi Eiliko, setup net" or long press the head button for 3 seconds to turn ON Bluetooth network setup. Select "Bluetooth Mode" for network configuration.

4. Turn ON Bluetooth, search for devices, find "Eiliko," and click to connect.

5. Connect to a 2.4GHz Wi-Fi network (5G is not supported), select the Wi-Fi, enter the password, and complete the network configuration.

3.2.2 Online Conversation Mode

Once successfully connecting to the network, the device automatically enters Online Conversation Mode.

If the network has been previously configured, you can also activate Wi-Fi and start a network search by saying "Hi Eilik, talk to me" or long press the head button for 3 seconds.

If the search is successful, the device will enter Online Conversation Mode; if it fails, you'll need to reconfigure the network. After entering Online Conversation Mode, say "Hi Eilik" or press the head button to wake it up; release the button to end recording.

*For the best interactive experience, please avoid lowering the volume to the minimum, and speak a little louder.

Voice Command Library

About Eilik	Where are you from? Why you look like this? Who created you? What can you do? What games can you play? Where is your charging port?
Skill Showcase	Cosplay time. Tell me a story.

After a consecutive 3 minutes without voice input or pressing the head button to wake up, it will automatically exit online conversation mode. You can also manually exit it by double-pressing the head button.

3.3 Body Recognition

1. Install/Swap body.

2. Automatically recognizes the body's color.

3. Swap bodies to take on various roles.

3.4 Identity Pairing

1. Short press to activate infrared pairing.
2. Automatically identifies the other's ID.

3. Reacts differently when encountering different Eiliko.

Lover

Normal

4. Safety & Precaution

4.2 Specifications

Size: 68*56*84mm

Weight: 70g

Material: ABS

Speaker: 0.5W

Display: 1.28 TFT

Input Power: USB-C, 5V, 600mA

Charging Time: Approx 1 hour (25°C) * Theoretically, from empty to fully charged.

Battery Capacity: 3.7V 400mAH

Operating Temperature: -20~+60°C

4.3 Security Instructions

Improper use of the product can easily cause damage to the product or may endanger personal and property safety. Please keep and use this product in strict accordance with the following safety instructions:

1. This product cannot be washed.
2. Be sure to use the local safety standard charger for this product to charge, to prevent electric shock or battery damage.
3. Avoid severe physical actions such as dropping, throwing, stepping on, or squeezing, etc.
4. Be sure to there is no liquid infiltration or splashing into the product to avoid battery, circuit damage or short-circuit.
5. Disassembly or disintegration of this product by non-professionals is strictly prohibited.
6. It is strictly prohibited to put this product into harsh environments such as water, fire (including close to stove, heating and other heat sources) or exposure to temperatures above 60°C (140°F).
7. When the weather is hot, please do not put this product in the outside unmanned car or other sun exposure places.
8. If you don't use this product for a long

time, please store it in a cool and dry environment.

9. This product contains lithium-ion batteries. It is strictly prohibited to open the product's shell to avoid possible damage to the core or other hazards.
10. Please fully charge this product when it's used for the first time.
11. When charging the product, you should ensure your presence, unplug the power when you leave or go out for a long time.
12. When this product is fully-charged, please remove the connection cable in time, to avoid damaging battery capacity.
13. This toy contains non-replaceable batteries.

4.4 Maintenance

Please clean with a soft dry cloth or a damp cleaning cloth. Do not use solvents, including gasoline, thinner, alcohol, kitchen detergents, chemical wipes, etc. This may cause external deformation or layer peeling. Do not wipe with an excessively wet cloth, as this may allow liquid to enter the interior and cause a malfunction.

4.5 Warranty Policy

Energize Lab provides a 90-day Warranty Policy. The specific warranty services are as follows:

1. During the limited warranty period, Energize Lab will repair or replace any parts of the product that are defective or malfunction during normal usage. Energize Lab reserves the right to use new or refurbished replacement parts in repair of the Product.
2. A purchase receipt or other proof of the date of purchase is required in order to claim the benefit of this warranty.
3. This limited warranty applies only to products manufactured by or for Energize Lab and that can be identified by Energize Lab's trademark, trade name or logo. The limited warranty does not apply to any non-Energize Lab product or software.
4. The limited warranty extends only to purchasers who purchased the product on official channels and is not assignable or transferable to any subsequent purchaser.
5. All rights to interpret the contents of this warranty policy belong to Energize Lab.

Energize Lab will not provide warranty services in the following circumstances:

1. Improper storage, unauthorized repairs, inappropriate testing, incorrect use of non-original accessories, misuse, collisions, negligence, abuse, liquid ingress, accidents, modifications, or tampering with altering labels and anti-counterfeit marks;
2. External causes and force majeure such as fire, flooding, sand, dirt, windstorm, lightning, or earthquake;
3. Exposure to extreme weather conditions, theft, loss, or improper use of any electrical source;
4. Cosmetic damage, including but not limited to scratches, dents or broken plastic, or normal wear and tear;
5. Usage of product other than its normal and customary manner;
6. Improper testing, operation, maintenance, installation, or any alteration or modification of Product;
7. The term of validity has exceeded 90 days.

4.6 Regulatory Compliance

FCC Requirement

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This

equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with FCC radiation exposure limits set forth for an uncontrolled environment. This device should be installed and operated with a minimum distance of 20cm between the radiator & your body.

EU WEEE Statement

The symbol means that this product shall be disposed of separately from household waste according to local laws and regulations in the EU. When this product reaches its end of life, take it to a collection point designated by local authorities for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your product at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.
