

Model difference letter

2024.11.07

Dear MET Reviewer,

This is a new Application from **ATOMOS Global PTY Ltd**

Model No.: **ATOMSND001,ATOMSND002**

Use **ATOMSND001** for all tests. The internal circuit, components and circuit layout of the product are the same, but the appearance of the matching light strips is different. The matching light strips have different appearances. ATOMSND001 is matched with transparent light strips, while ATOMSND002 is matched with ivory light strips.

Model	Overall picture	discrepancy
ATOMSND001		The matching lamp strip is transparent.
ATOMSND002		The matching light strip is full milky white light strip.

Thank you for your cooperation!

Yours sincerely,
