

Solder Board-Component View 3	 A photograph of a green printed circuit board (PCB) component, labeled 'MR' and 'WTX24X09226025W', positioned next to a black ruler. The ruler has white markings in millimeters (0 to 100) and centimeters (0 to 10). The PCB is rectangular with rounded corners and features various electronic components, including a large black integrated circuit (IC), several smaller ICs, resistors, and capacitors. A white connector is visible on the right side. The background is a light blue textured surface.
Solder Board-Component View 4	 A photograph of the same green PCB component from a different angle, showing the underside. It features a white connector, a large black IC, and various other components. A black ruler with white markings is placed next to it for scale. The background is a light blue textured surface.
