Subject: Requesting Class II permissive change for FCC ID: 2BMSX-KV01M
To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: 2BMSX-KV01M, original granted on 08/19//2026.

The major change field under this application is:

1. Changed the hardware version and software version information.
2. The external Wi-Fi antenna has been changed to an internal one so gain has increased but the directional gain has not exceeded 6. Therefore, no additional conducted testing is required.
3. The WWAN antenna has been lengthened and WWAN div antenna changed to an externa one but the antenna gain are unchanged.
4. Removed the factory information.

Please contact me if you have any questions or need further information regarding this application.

Best Regards
