- Speaker

6 Power Recharging

Connect the Type-c cable included to charge your bluetooth speaker tumbler through a computer Type-c port or power adapter.

Low Power Warning: When voltage is low, alert with "dududud" sound would be given a minute ago until charged back. Leave for at least 1.5 hours for full charge.

7 Tumbler Cleaning Instructions

- To clean the tumbler, first remove the speaker at the bottom of the tumbler by twisting and unscrewing the speaker from the body. This will avoid damage to the speaker while cleaning. Clean the speaker bottom separately by wiping with a damp cloth.
- Hand wash tumbler recommended.
- Use non-abrasive cleaner.
- Not intended for use in freezer or microwave.
- Caution when handling hot liquids.
- We do not recommend submerging the speaker.
