

A close-up photograph of the back of a silver Sony WH-1000XM3 wireless headset. The image shows the battery cover, which is slightly open, revealing the internal battery compartment. To the right of the battery cover is the charging port, which is a small, rectangular slot. Below the charging port is a small, circular microphone array. The headset has a sleek, metallic finish and a curved design. The background is a solid blue color.

A close-up view of the bottom of the microscope. It features a USB-C port labeled "DC5V" and a small circular indicator light. Below the port is a rectangular opening with a grey cover that has a battery icon, indicating the battery compartment. The device is mounted on a blue base with a grid pattern.
