RF warning statement:

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure conditions without restriction.

Tips: Please do not turn the volume knob to the maximum level to prevent hearing damage and to prolong the service life of the system.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:(1) this device may not cause harmful interference, and (2) this device must accept any interference received including interference that may cause undesired operation.

WARNING: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications."

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help."

⚠ WARNING: This product can expose you to chemicals including Bisphenol A (BPA), which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.

⚠ CAUTION: FOR YOUR SAFETY, the charging cable included with this item is intended for use with this product only.

RF warning statement:
This product complies with the radio interference requirements of the European Community.
Product name: Transparent Wireless Speaker
Product model: BTS50
Manufacturer: JMTEK TECHNOLOGY(ZHONGSHAN) CO., LTD
Frequency Range: 2402MHz to 2480MHz
Max. Transmit Power: 1.53dBm

Simplified EU Declaration Of Conformity
The simplified EU declaration of conformity referred to in Article 10(9) shall be provided as follows:
Hereby, JMTEK TECHNOLOGY(ZHONGSHAN) CO., LTD declares that radio equipment type BTS50 is in compliance with Directive 2014/53/EU, and this product is allowed to be used in all EU member states.
There are no countries with restricted usage.
Caution: Risk of explosion if battery is replaced by an incorrect type. Dispose of used batteries according to the instructions.
