

Antenna information

Manufacturer: Genesis Tecspiro Ltd

Address: Building 15, 16, Zhongnan High-tech Electronic Information Industrial Park, Chenjiang Street, Huicheng District, Huizhou City, Guangdong Province

天线型号 model: RHK-TOY-016

天线类型 Antenna installation: PCB

天线材质 Antenna material: FR4 Copper thickness 2oz

天线工作频率 Frequency: 315 MHz

天线尺寸 size: 长×宽×高: 27×22×0.070 mm

天线照片 photograph:

All measurements were performed radiated and therefore additional antenna gain documentation is not required.
