

Model

14U40V
(USA)

Model / Modèle: 14U40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14U40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.

14UD40V
(USA)

Model / Modèle: 14UD40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14UD40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.

14UB40V
(USA)

Model / Modèle: 14UB40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14UB40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.

14UG40V
(USA)

Model / Modèle: 14UG40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14UG40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.

14US40V
(USA)

Model / Modèle: 14US40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14US40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

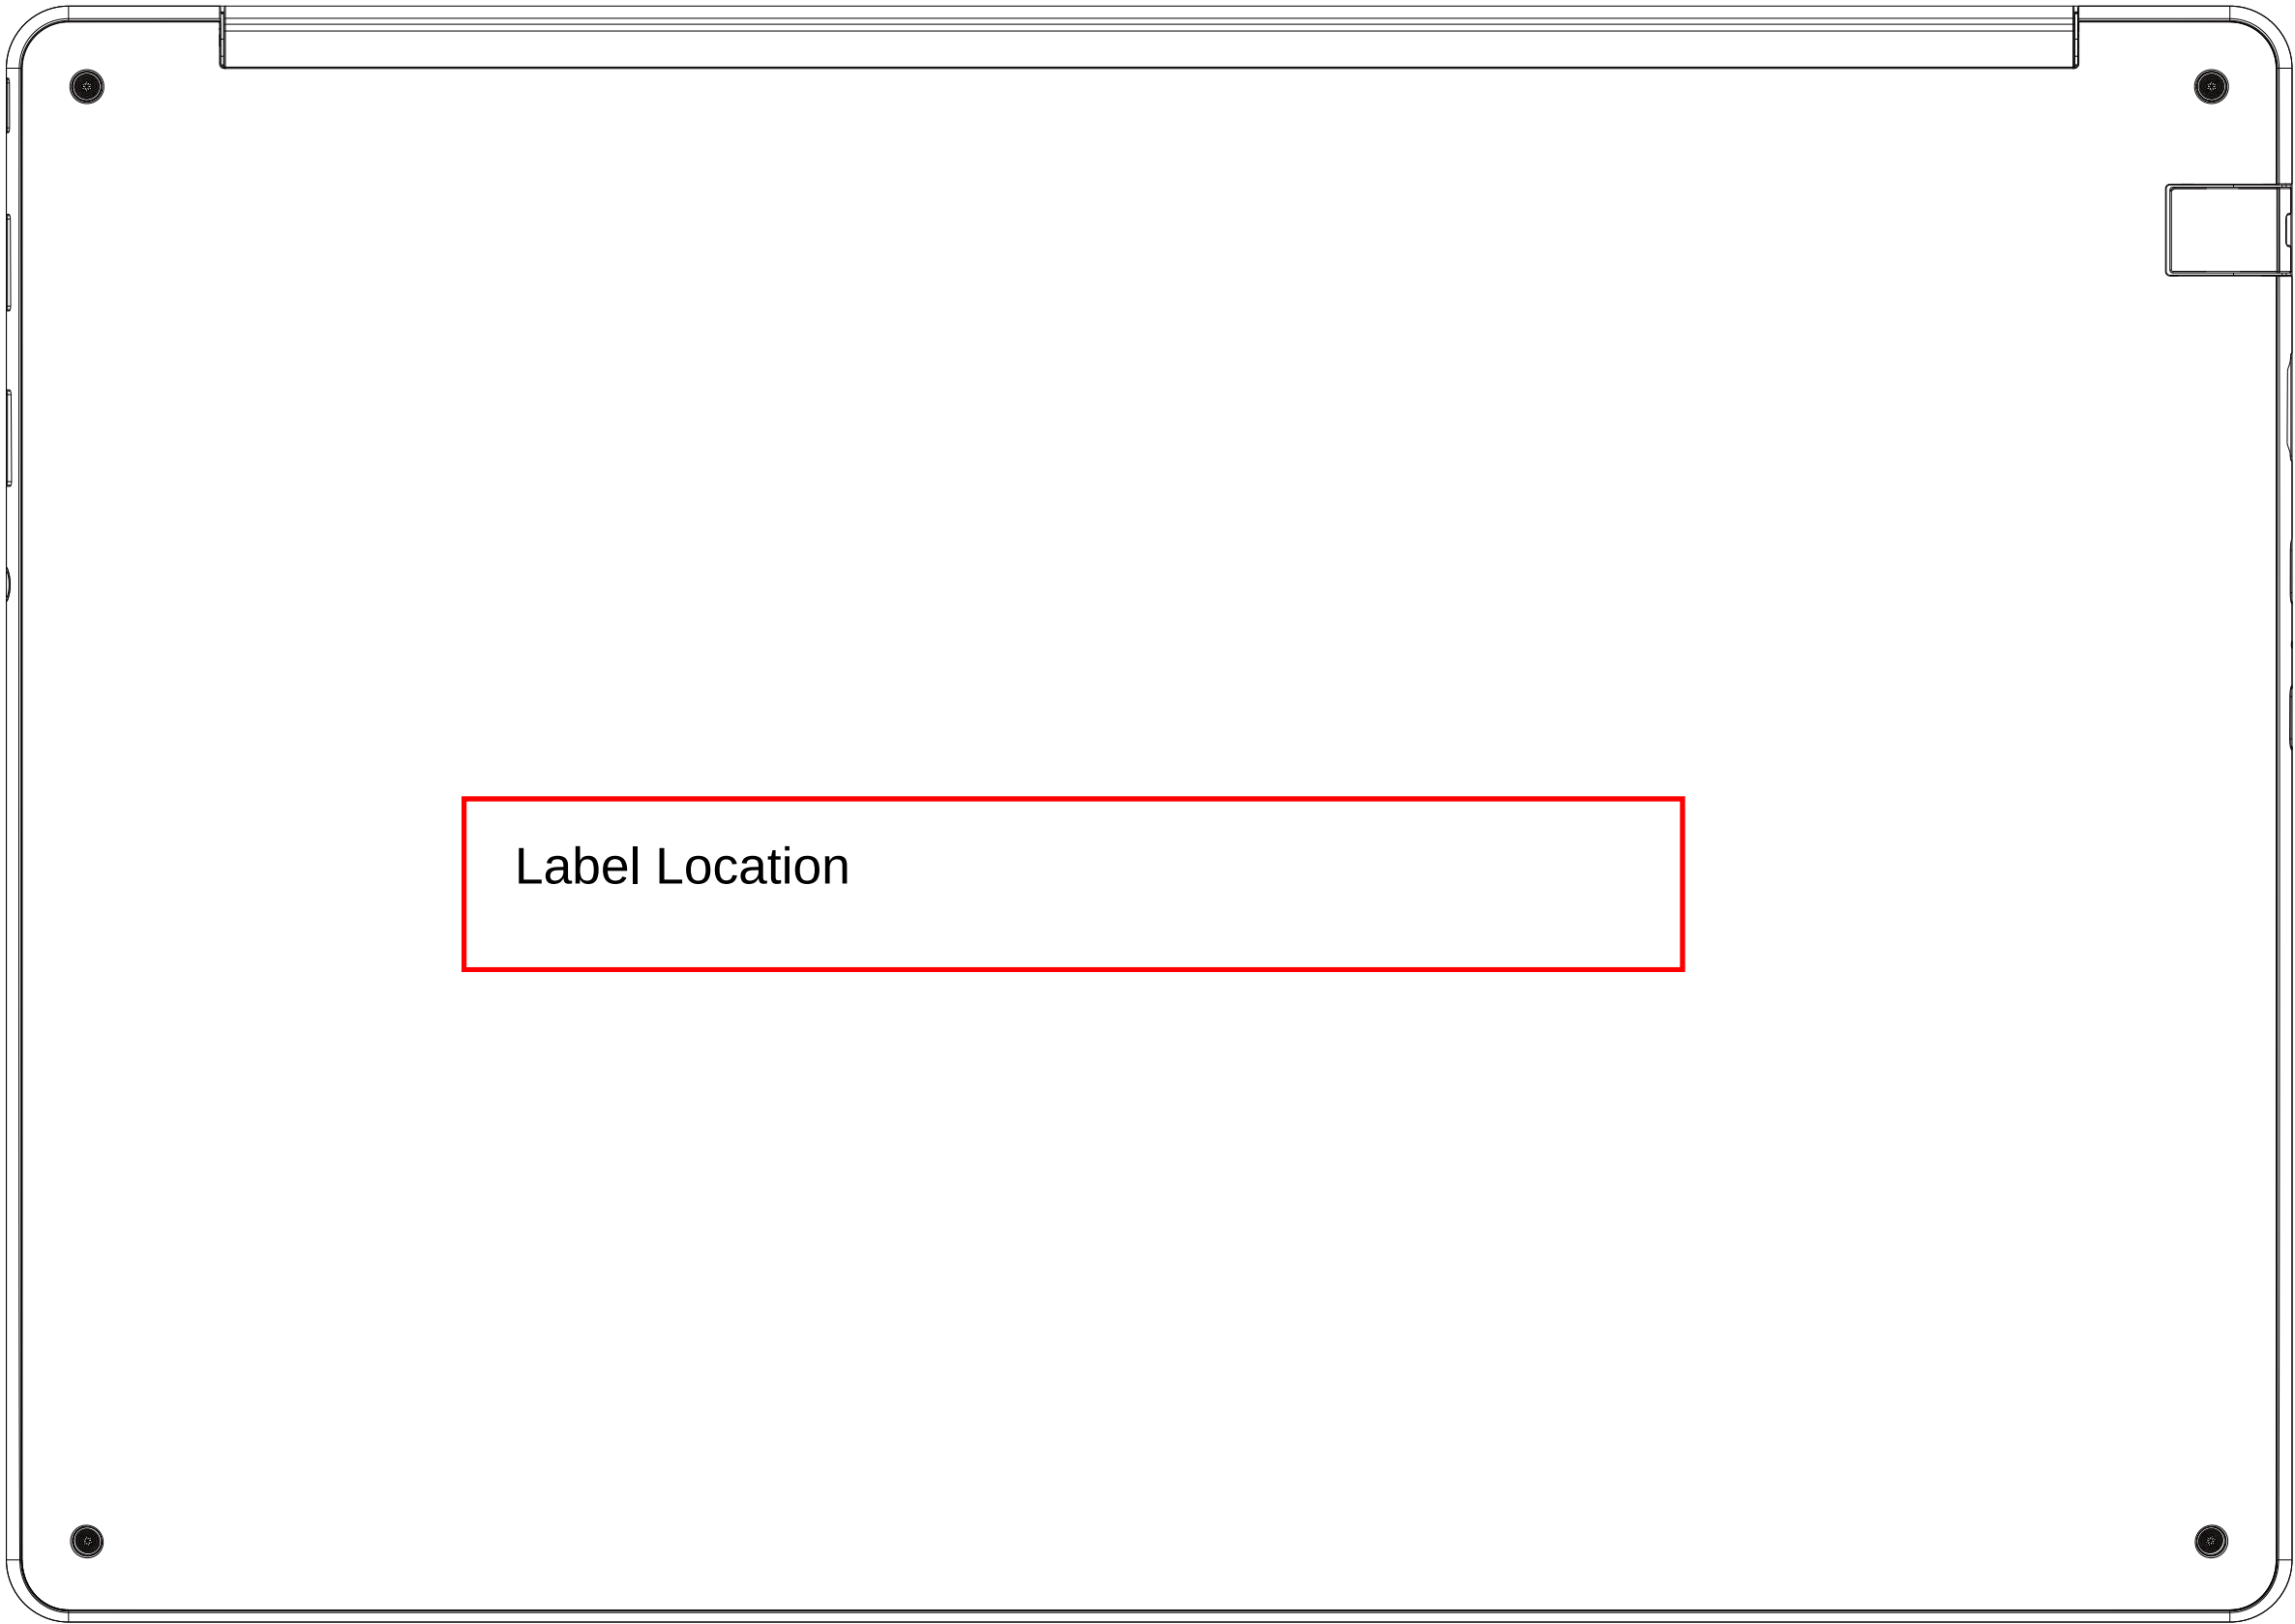

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.

14UT40V
(USA)

Model / Modèle: 14UT40V Power / Énergie: 20 V 3.25 A This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. All regulation marks for the optional modules are attached under the customer access panel or on the module itself if installed. FCC ID: 2B03L-14U40V IC: 2703H-14U40V CAN ICES (B) / NMB (B)
Product of China / Produit de la Chine
14UT40V-A-ABS0CD
S/N: 12345678910HB MD: 2026.08

Caution
Use it on a flat and hard surface without blocking the system vent.
Please refer to the precautions in the user manual for convenient and safe use.
