Product mode	MT-09																															
Recording pixels	1080P/30fps																															
Wide-angle lens	100°/F2.5																															
Waterproof	IPX6																															
Working time	2.5 hours - 7 hours,It depends on the usage function																															
WiFi signal	2.4GHz																															
WiFi name	MT09_XXXXX																															
Initial password	12345678																															
Format	Mp4 16:9																															
Memory support/	8-256G																															
Battery	2000mAh 7.4Wh																															
Charging parameters	5V/1A																															
Working environment temperature	-10℃-60℃/14°F-140°F																															
Charging environment temperature	0℃-40℃/32°F-104°F																															
Applications	Most Motorcycle/E-bike/Bicycle																															
17	PRODUCT TIPS	1.The product only should be used in temperatures from 14°F to 140°F(-10℃ to 60℃) 2.Do not charge the battery immediately after use,as the battery temperature may be to high.Do not charge the battery until it cools down to near room temperature.Charging the battery in environments above 104 may lead to battery expansion,leakage,overhating,or battery damage. 3.If the product is not used for a long time(e.g.3 months or longer),the battery may be depleted.Please charge the product to turn it on. 4.Do not leave the product near heat sources such as a furnace or heater.Do not leave the product in inside of a vehicle on hot days. 5.Do not drop or strike the product.Do not place heavy objects on the product. 6.Do not use any liquid cleansers on the product.Only use a soft dry cloth to clean the product. 7.Dropping the MT-09 may damage intricate components inside the camera and cause it to perform abnormally. 8.Keep MT-09 away from sand and dust. 9.MT-09 has an IPX6 rating for protection against heavy rain. Please do not use it underwater, while swimming, or with high-pressure water jets. 10.Please refer to the actual packing list,as some accessories may not be included in some bundles. 11.Please strictly abide by local laws and regulations, avoid infringing on the rights of third parties, including but not limited to data rights or other privacy rights, and refrain from using this product for any unsafe or human rights-violating purposes. 12.The preview images of the APP will be compressed in quality. For the actual video effect, please download the video to watch.
