Packing lists

Charging compartment * 1

Headphones (L&R) * 2

Type-C Charging cable* 1

Manual

Charging instructions

- When the indicator light of the charging compartment flashes, please charge it in time. When charging, the charging compartment indicator light flashes; when fully charged, the indicator light stays on.
- Connect one end of the USB charging cable to the Type-C charging input interface, and the other end to the USB port of the power adapter.
- When the left and right ear electricity is insufficient, the low volume prompt sound will be reported. Please put the headphones in the Charging Compartment and cover the charging.
- This product is not sold without adapters. If consumers are charged using a power adapter, they should buy supporting facilities to obtain CCC certification and meet the power adapter required by the standard.
- When the headset charging interface has a foreign body and poor contact, please gently wipe the cleaning headset with cotton swabs with alcohol with cotton swab interface.

Product Parameters
