EUT View 5	 A photograph of a white rectangular device (EUT) from a side-top perspective. A wooden block is placed on top of the device. A white strap is attached to the side. A vertical ruler is on the left, and a horizontal ruler is at the bottom, both showing measurements in centimeters. The background is blue.
EUT View 6	 A photograph of the same white rectangular device from a front-bottom perspective. It features two large oval cutouts in the center. There are several ports and screws visible around the perimeter. A vertical ruler is on the left, and a horizontal ruler is at the bottom, both showing measurements in centimeters. The background is blue.

EUT View 7	 A photograph showing the front view of a white Electronic Under Test (EUT) device. The device has a light-colored wooden top surface. Below the wood, there is a control panel with five circular buttons labeled 'CH 01', 'CH 02', '40V', 'PAD', and 'LINE OUT'. To the right of these buttons is a large black circular speaker grille labeled '3LR-15W'. A white carrying handle is attached to the top of the device. A USB-C port is visible on the bottom right corner of the front panel. The device is set against a blue background.
EUT View 8	 A photograph showing a black USB cable with a USB-A connector on one end and a USB-C connector on the other. The cable is coiled and placed next to a black L-shaped ruler for scale. The ruler has white markings in centimeters and inches. The background is blue.
