

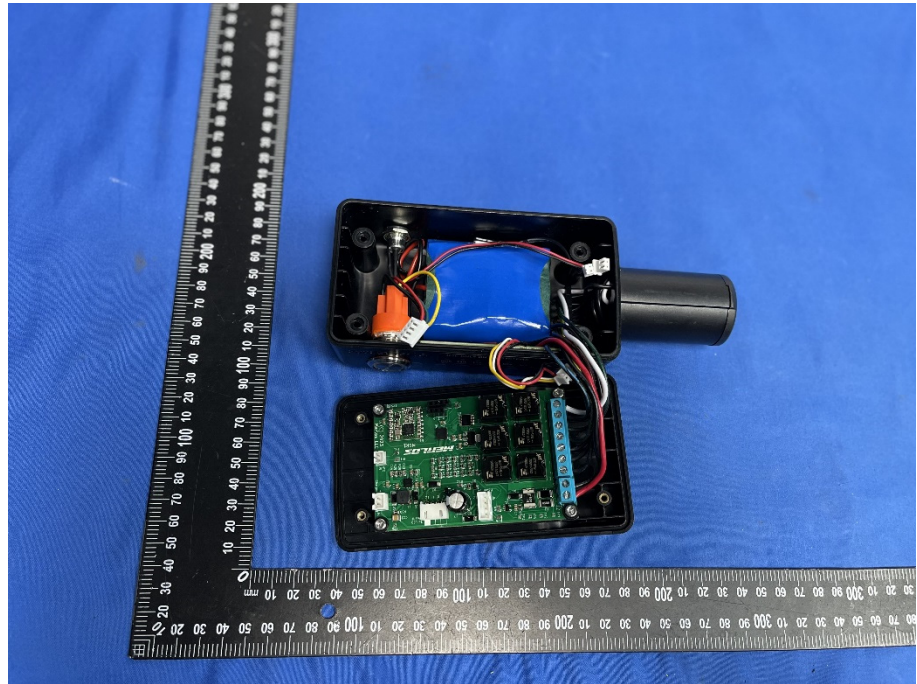

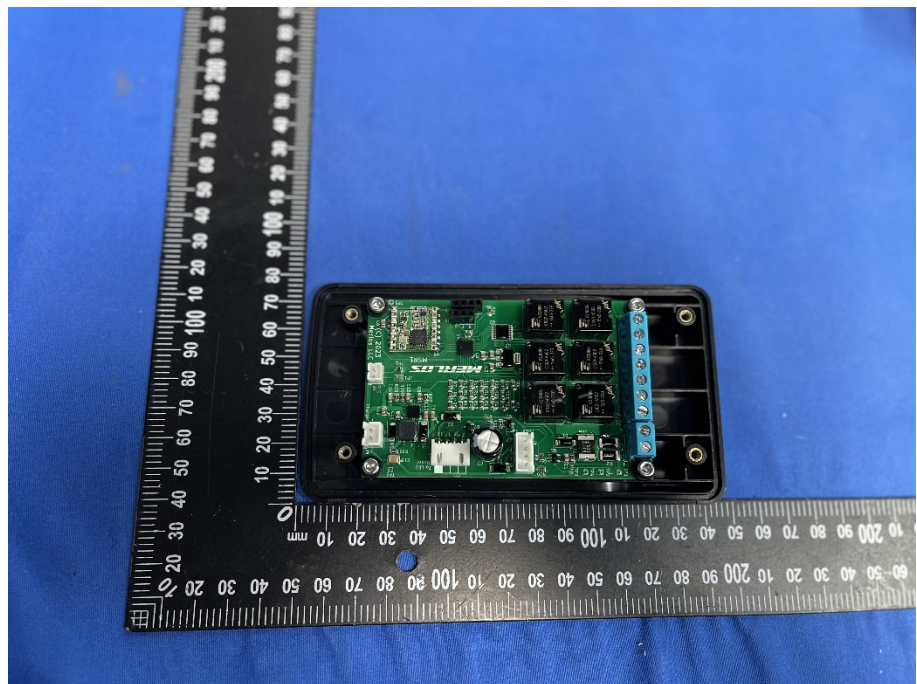

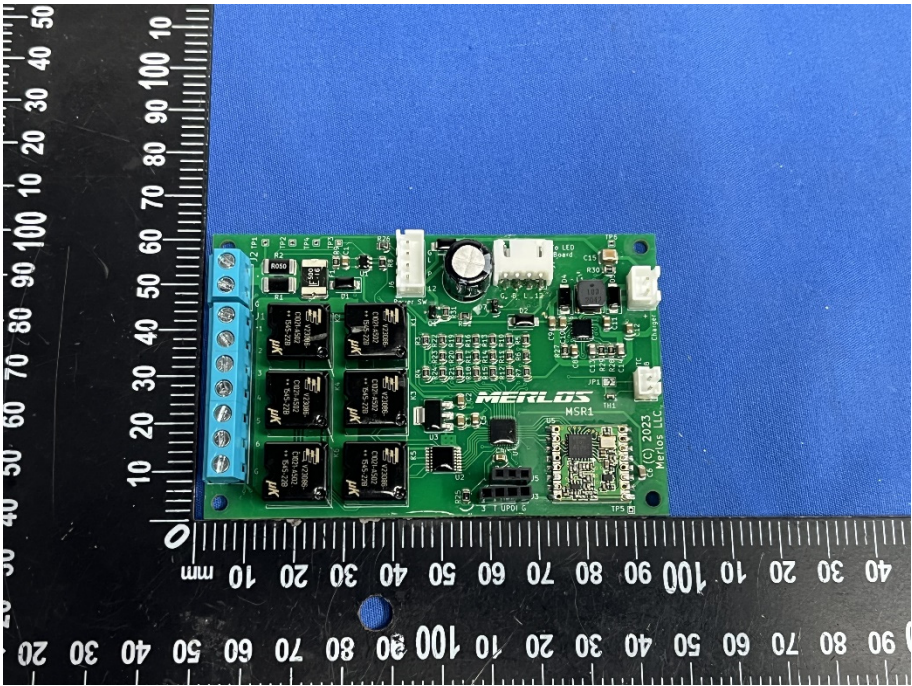

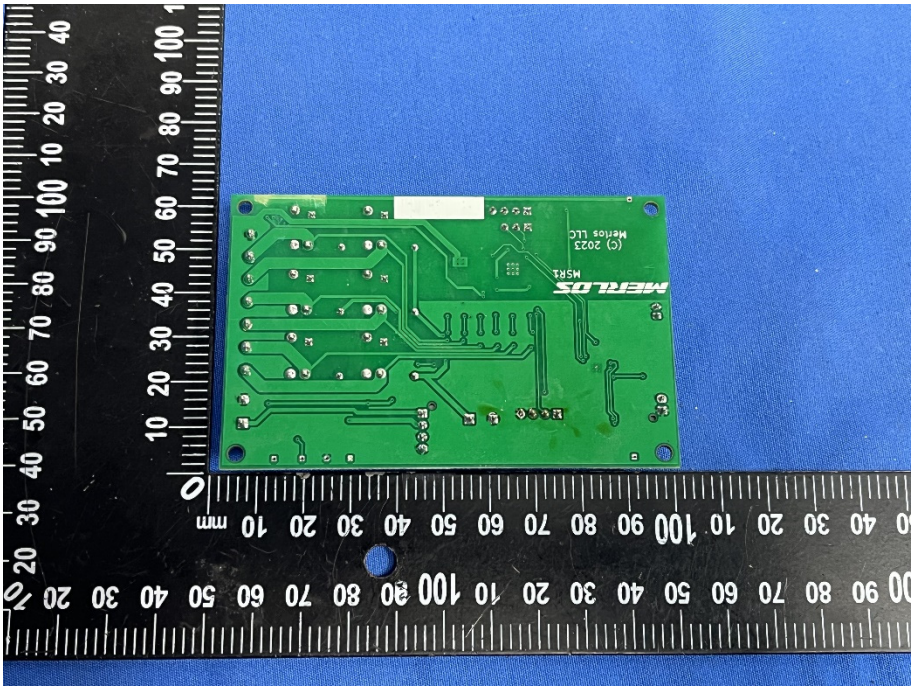

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

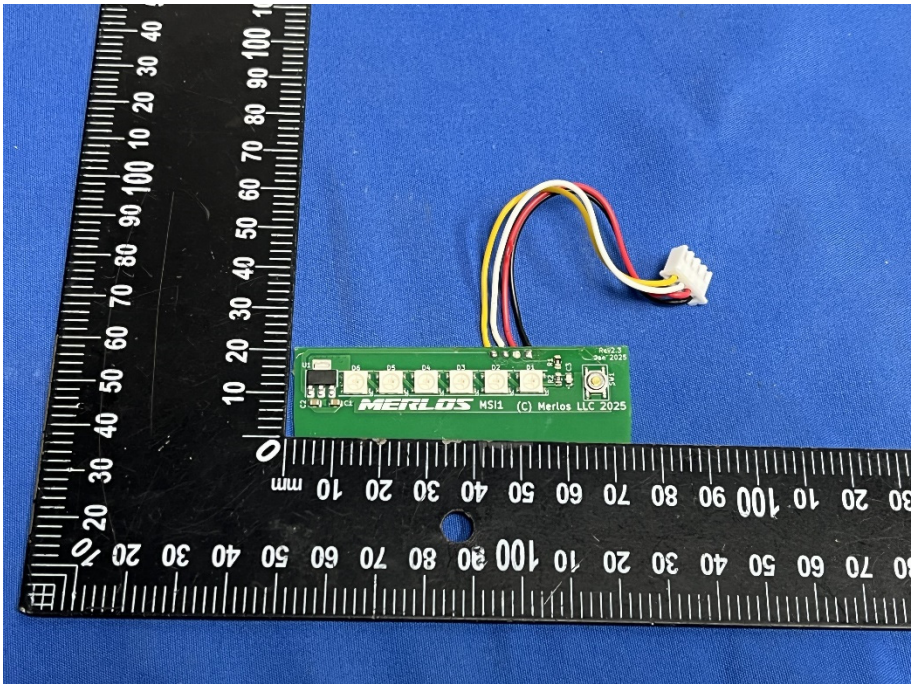

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a green printed circuit board (PCB) populated with various electronic components. The board is oriented vertically and placed on a blue background. A black ruler with white markings is positioned horizontally above the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The PCB features several integrated circuits (ICs), including a large black chip labeled 'MSR1' and several smaller chips labeled '80C59B'. There are also capacitors, resistors, and a blue terminal block on the left side. The text 'MERLOS' and '© 2023 Merlos LLC' is visible on the board.
Solder Board-Component View 2	 A photograph of the same green PCB from a different perspective, showing the underside. The board is oriented vertically and placed on a blue background. A black ruler with white markings is positioned horizontally above the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The underside of the PCB shows the solder pads and traces. The text 'MERLOS' and '© 2023 Merlos LLC' is visible on the board.
