Board View 2**

Solder Board-Component View 1	 This image shows the top view of a green printed circuit board (PCB) component. The board is populated with various electronic components, including a central integrated circuit (IC), several surface-mount capacitors, and resistors. A ruler is placed horizontally below the component, showing measurements in millimeters. The component is positioned against a blue background.
Solder Board-Component View 2	 This image shows the bottom view of the same green PCB component. It displays the solder joints and the underside of the components. A ruler is placed horizontally below the component, showing measurements in millimeters. The component is positioned against a blue background.
