

Agent Authorization

Company: Globalstar, Inc.

Address: 9450 Carroll Park Drive, San Diego, CA 92121 USA

Product Name: XRRU

Model Number(s): XCOMRU30N53I

Product Description: . The XCOM RAN Remote Radio Unit (XRRU) is the cornerstone of high-performance private wireless deployments. Purpose-built to support flexibility, scalability, and low-latency demands of enterprise-grade 5G networks, the XRRU powers XCOM RAN, delivering coverage and capacity where it's needed most.

We authorize MiCOM Labs Inc., 575 Boulder Court, Pleasanton, California 94566, USA, to act on our behalf on all matters concerning the certification of above named equipment.

We declare that MiCOM Labs Inc. is allowed to forward all information related to the approval and certification of equipment to the regulatory agencies as required and to discuss any issues concerning the approval application. Any and all acts carried out by MiCOM Labs on our behalf shall have the same effect as acts of our own.
