

B1

WIRELESS HEADPHONES

Product Parameters:

Bluetooth Version: V6.0
Support Profile: a2dp|avctp|avdtp|avrcp|hfp|spp|smplat-
t|gap|gatt|lrcp|comm|sd|2cap profile
Frequency Range: 2.402GHz-2.480GHz
Working Distance Range: 10m
Battery Specifications: 3.7/300mAh
Charging Voltage: DC5V
Charging Time: about 2 hours
Play time: about 20h (100%) 42h (60%)

Product Parameters:

Button Description:

 ON/OFF

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following
two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may
cause undesired operation.
Warning: Changes or modifications not expressly approved by the party responsible for
compliance could void the user's authority to operate the equipment.
NOTE: This equipment has been tested and found to comply with the limits for a Class B
digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide
reasonable protection against harmful interference in a residential installation.
This equipment generates uses and can radiate radio frequency energy and, if not
installed and used in accordance with the instructions, may cause harmful interference to
radio communications. However, there is no guarantee that interference will not occur in a
particular installation. If this equipment does cause harmful interference to radio or
television reception, which can be determined by turning the equipment off and on, the
user is encouraged to try to correct the interference by one or more of the following
measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the
receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.
FCC andISED RF warning statement:
The device has been evaluated to meet general RF exposure requirement. The device
can be used in portable exposure condition without restriction.
L' appareil a été évalué pour répondre aux exigences générales en matière d' exposition aux
RF. L' appareil peut être utilisé en condition d' exposition portable sans restriction.

ISED STATEMENT:
«English»
This device complies with Innovation, Science and Economic Development Canada
licence-exempt RSS standards. Operation is subject to the following two conditions:

(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired
operation of the device."
« French»
Cet appareil est conforme aux normes RSS exemptées de licence d' innovation, sciences et
développement économique Canada. Le fonctionnement est soumis aux deux conditions suivantes:
(1) l'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi,
même si le brouillage est susceptible d'en compromettre le fonctionnement.»
