Solder Board-Component View 13	 A photograph of a small, square, black printed circuit board (PCB) component, likely a solder mask or a small module, placed on a blue surface. The component is surrounded by two metal rulers for scale. The ruler on the left is marked in millimeters (0.5mm to 8mm), and the ruler on the right is marked in millimeters (0.5mm to 8mm). The component features various electronic components, including a large black square in the center, several small resistors, and a white label with the number '804.08'.
Solder Board-Component View 14	 A photograph of the same small, square, black printed circuit board (PCB) component, viewed from the opposite side. It is placed on a blue surface and surrounded by two metal rulers for scale. The ruler on the left is marked in millimeters (0.5mm to 8mm), and the ruler on the right is marked in millimeters (0.5mm to 8mm). The component features various electronic components, including a large black square in the center, several small resistors, and a white label with the number '804.08'.
