Solder Board-Component View 7	 A photograph of a green printed circuit board (PCB) populated with various electronic components. The components include several integrated circuits (chips) and two large electrolytic capacitors labeled '680 20V'. The board is positioned next to a metric ruler for scale. The ruler shows dimensions in millimeters, with markings every 10 mm and sub-markings every 1 mm. The board is approximately 100 mm long and 40 mm wide.
Solder Board-Component View 8	 A photograph of a silver-colored metal component, likely a heat sink or a mounting plate, with four mounting holes at the corners. The component is rectangular and is placed next to a metric ruler for scale. The ruler shows dimensions in millimeters, with markings every 10 mm and sub-markings every 1 mm. The component is approximately 100 mm long and 40 mm wide.
