

## ■ Antenna specification

|                                               |                                    |
|-----------------------------------------------|------------------------------------|
| Name and address of the antenna manufacturer: | TraffiClair Technology CO., LTD.   |
| Antenna Type                                  | PCB Antenna                        |
| Antenna Gain                                  | RX: 12dB @24GHz<br>TX: 14dB @24GHz |
| Number of Channel:                            | RX:16<br>TX:1                      |
