

Magnetic power bank

Instruction Manual

Product specifications

Product model	Colors
W018	Black/White/Purple/Blue
USB-A port output	Battery capacity
5V/3A, 9V/2A, 12V/1.5A, 10V/2.25A	10000mAh
Type-C bidirectional port	Product size
Input/output 5V/3A, 9V/2A, 12V/1.5A	103 × 68 × 20mm
Wireless output	
15W Qi standard	

Charge mode

1. Wired fast charging

- Connect devices using matching Type-C cables.
- Supported protocols: Mainstream fast charging protocols, such as PD3.0/QC3.0/SCP/FCP.
- It is recommended to prioritize charging high-power devices such as mobile phones and tablets.

2. Magnetic wireless charging

- iPhone users (models 12 and above).
- Remove the protective cover with a thickness greater than 3mm.
- Magnetic attraction will automatically align the coil and can be charged immediately after use.
- Android users (supporting Qi protocol).
- Need to manually adjust to the coil position.
- Click the power button switch.

Instructions for Use

1. Power management

- Single press: Display the current battery level (indicated by LED digital display).
- Click: Turn off battery display (enter power-saving mode).
- Double click: Close.

2. Security protection system

- Temperature control: Automatic power-off when the temperature exceeds 45 °C
- Short circuit protection: Cut off immediately when the current is abnormal
- Overcharge protection: dual IC chip monitoring
- Foreign object detection: FOD metal identification

Warning

- Use non-standard charger (recommended to use PD20W or above).
- Simultaneously using three output ports.
- Charging in flammable and explosive environments.

Maintenance and upkeep

1. Usage suggestions

- Long term storage: Maintain 50% battery power and charge every 3 months.
- Cleaning method: Wipe with a dry soft cloth (no alcohol consumption).
- Charging cycle: ≥ 500 times (with capacity maintained at 80%).

2. Exception handling

- If the charging is interrupted, you can check whether the device supports the fast charging protocol.

- Make sure the charging cable is fully inserted and wait for 10 minutes to cool down. Then try wireless charging again.

3. Environmental Protection and Services

- When the product's lifespan comes to an end, please dispose of it through official recycling points.
- The built-in lithium battery requires special recycling (it is strictly prohibited to dispose of household waste).

4. After-sale service

- 12-month warranty (with serial number).
- Recall notification channels: official website announcements/Amazon message center.

FCC Caution

1. This device complies with part 15 of the FCC Rules.

- Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

2. Note:

This equipment has been tested and found to comply with the limits for a Class. B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

3. Operation prompt

- This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
- However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
