

UNA

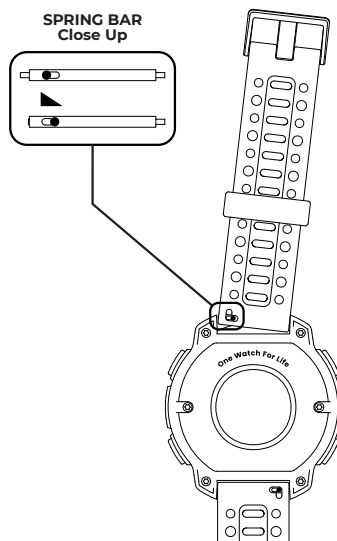

one watch for life

Quick Start Guide

Guide de démarrage rapide
Guía de inicio rápido
Schnellstartanleitung

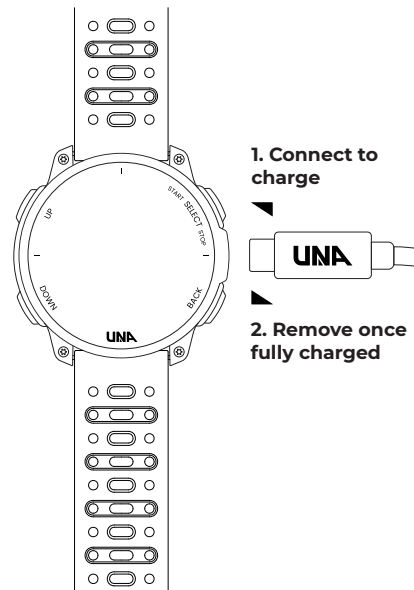

1. Fitting the Straps to Your UNA

- 1 - Insert the strap into one of the housing holes on the watch.
- 2 - Press the pip inwards to make room for the strap to slot in.
- 3 - Release the pip until the spring bar nests neatly in the hole.

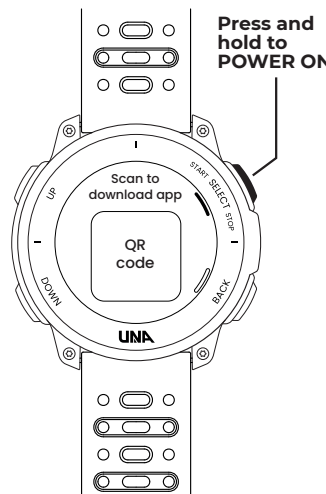

2. Charge Your UNA

- 1 - Connect and charge your UNA with the USB-C cable supplied.
- 2 - Once charged, remove the cable for normal operation.

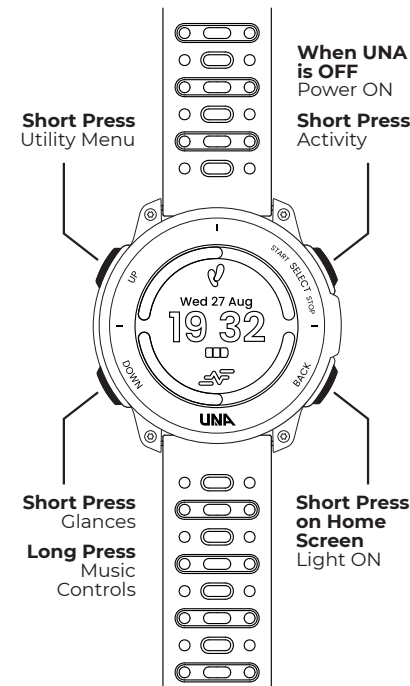

3. Power ON and Connect to App

- 1 - After removing the USB-C cable the watch will remain ON.
- 2 - If the watch is OFF, press and hold the **TOP RIGHT** button for 0.5 seconds to **Power ON**.
- 3 - Follow the steps on the watch screen.
- 4 - Download the **UNA Watch App** from the Google Play or Apple App Store.

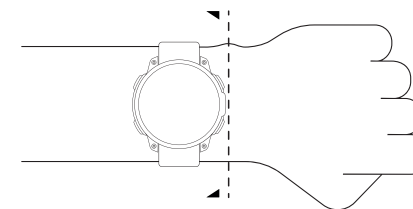

4. UNA Button Functions

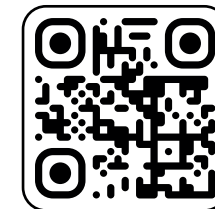

5. Wearing Your UNA Correctly

- 1 - Make sure both the watch and your wrist are clean and dry.
- 2 - Fit your UNA roughly 2-3cm above your wrist bone for the best accuracy.
- 3 - Adjust the strap to be snug but not tight, you should be able to comfortably move your wrist.
- 4 - Ensure the optical heart rate sensor is in direct contact with the skin.

UNA Warranty & Safety Information

WARRANTY

Limited Warranty

UNA Watch Ltd warrants its products against defects in materials and workmanship that affect functionality under normal use. This warranty is valid for products purchased from UNA Watch Ltd's official channels and/or authorised resellers and begins on the date of purchase or activation.

- Watches and accessories with batteries are covered for a period of 24 months.
 - Non-battery accessories, such as straps and cables, are covered for a period of 6 months.
- This warranty provides repair or replacement of defective parts at UNA Watch Ltd's discretion.

What Is Covered

- The warranty includes:
- Manufacturing defects in materials or workmanship.
 - Issues causing the product to perform below UNA Watch Ltd's standards during normal use.
 - Replacement or repair of affected parts at no additional cost during the warranty period.

What Is Not Covered

- The warranty does not cover:
- Damage caused by misuse, accidents and neglect.
 - Normal wear and tear, including cosmetic damage such as scratches, dents, or discolouration.
 - Issues arising from exposure to liquids, extreme conditions, or improper handling.
 - Products not purchased through authorised channels.

Warranty Limitations

This warranty is non-transferable and applies only to the original purchaser. If repairs or replacements are needed outside the country of purchase, the user may be responsible for shipping costs, import duties, and applicable fees. UNA Watch Ltd disclaims liability for indirect, incidental, or consequential damages.

No UNA Watch Ltd reseller, agent, or employee is authorised to make any modification, extension, or addition to this warranty.

In no event shall UNA Watch Ltd be liable for any direct, indirect, incidental or consequential damages arising out of the use or inability to use the product, or for any breach of any express or implied warranty or condition, or under any other legal theory, including but not limited to lost profits, downtime, goodwill, damage to or replacement of equipment and property, any costs of recovering, reprogramming, or reproducing any program or data stored in or used with UNA Watch Ltd products, and any failure to maintain the confidentiality of data stored on the product. UNA Watch Ltd specifically does not represent that it will be able to repair any product under this warranty or make a product exchange without risk to or loss of programs or data.

This disclaimer applies to the extent permitted by applicable law. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary by jurisdiction.

Products purchased through online auctions are not eligible for warranty coverage. Only purchases made through UNA Watch Ltd or authorised resellers are eligible for warranty services.

Filing a Claim

- To file a claim:
1. Contact UNA Watch Ltd Customer Support at hello@unawatch.com with proof of purchase and details about the issue.
 2. Follow instructions for warranty validation. UNA Watch Ltd may require the product to be shipped for inspection.
 3. If the issue falls under the warranty, UNA Watch Ltd will repair or replace the product.

Additional Notes

- Replacement products or parts may be new or refurbished but are guaranteed to function as intended.
- The warranty for replacement items continues for the remainder of the original warranty period.
- Regional laws may provide additional rights that this warranty does not limit.

Updates to Policy

UNA Watch Ltd reserves the right to update this warranty policy without prior notice. Please ensure to check www.unawatch.com/terms-and-conditions for the most up to date version.

SAFETY INFORMATION

Safety Information & Health Warnings

Failure to follow these safety instructions could result in fire, electric shock, or other injury or damage to the device or other property.

- Do not expose the device to extremely high or low temperatures.
- Do not expose the device to open flames.
- Do not bring the device into contact with any liquid.
- Do not clean the device with any liquid cleaning agents.

Keep the device away from small children. If the device is damaged or malfunctions, discontinue use immediately. If the device becomes damaged or is dropped, it should be inspected for damage before reuse.

If the product is to be used by children, ensure they are supervised. The device is not a toy. Do not attempt to charge the device in wet or damp conditions. Do not attempt to charge the device using a power source that is not USB Type-C compatible. The device should be disposed of safely and not in general household waste.

Battery Warnings

- Only replace the battery with a genuine UNA Watch Ltd replacement battery.
- If replacing the battery, follow the guidelines provided with the replacement battery.
- Do not crush, puncture or short the battery's external contacts.
- Do not expose to temperatures above 60°C (140°F).
- Do not leave battery in direct sunlight for extended periods.
- Do not dispose of in fire or water.
- Risk of explosion if battery is replaced with an incorrect type.
- Dispose of used batteries according to local regulations.

Care Guidelines

Do not expose the device to solvents or harsh chemicals. Do not attempt to clean the product with chemical cleaners, solvents or strong detergents. Use a soft damp cloth to clean.

Product Disposal

Electronic devices, including the device and its accessories should not be disposed of with household waste. Please take to a recycling centre or collection point for the correct disposal and recycling.

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by UNA Watch Ltd could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

GPS Notice

The device uses GPS and is subject to degraded performance if you are in an area with poor satellite visibility. GPS reception can be degraded inside buildings, bridges, tunnels, weather or nearby large buildings.

Radio Frequency Radiation Exposure

The device contains a radio transceiver and transmitter. The device is designed not to exceed the limits for exposure to radio waves recommended by international guidelines. The device must be used in accordance with the manufacturer's instructions. This device complies with RF exposure limits for typical wearable use. Follow use guidelines to ensure safe operation.

Battery

This product contains a rechargeable Lithium Polymer battery. Battery lifetime and number of charge cycles vary by use.

Power Specifications

Input: 5V DC (USB)
Battery: Rechargeable Lithium Polymer

Temperature Specifications

Storage temperature: -20°C to +70°C (-4°F to 158°F)
Operating temperature: -10°C to +60°C (14°F to 140°F)

CE Marking & European Union Compliance

Products intended for sale within the European Union are marked with a CE mark which indicates compliance with applicable directives and standards.

Products intended for sale within the United Kingdom are marked with a UKCA mark which indicates compliance with applicable directives and standards.
