|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 5</p> |  A photograph of a white, dome-shaped electronic unit (EUT) from a top-down perspective. The unit has a hemispherical top with a fine grid of small holes. The base is a circular flange with a central opening and some internal components visible. A black L-shaped ruler is placed next to the unit for scale, showing measurements in millimeters and centimeters. The background is a blue textured surface. |
| <p>EUT View 6</p> |  A photograph of the same white electronic unit from a side profile view. The hemispherical top and the circular base are clearly visible. The unit is positioned next to a black L-shaped ruler for scale, similar to the previous view. The background is a blue textured surface.                                                                                                                              |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 7</p> |  A top-down photograph of a white, dome-shaped electronic unit. The unit has a smooth, slightly reflective surface and a black circular opening at its base. It is positioned next to a metric ruler for scale. The ruler shows measurements in millimeters and centimeters. The background is a solid blue surface. |
| <p>EUT View 8</p> |  A close-up photograph of the bottom of the white dome-shaped unit. The unit is shown from a low angle, highlighting its rounded shape and the small, rectangular port located near the base. The background is a solid blue surface.                                                                               |
