2. Test positions

Photo 4: Front side 10mm	Photo 5: Back side 0mm
 A photograph showing the front side of a test setup. A black mechanical fixture is positioned below a white, curved surface. The fixture has several adjustment knobs and a central vertical rod. The background is a blurred industrial setting with blue structural elements.	 A photograph showing the back side of the test setup. The black mechanical fixture is visible from a different angle, showing its base and support structure. The white, curved surface is still visible above it. The background is the same industrial setting.
