

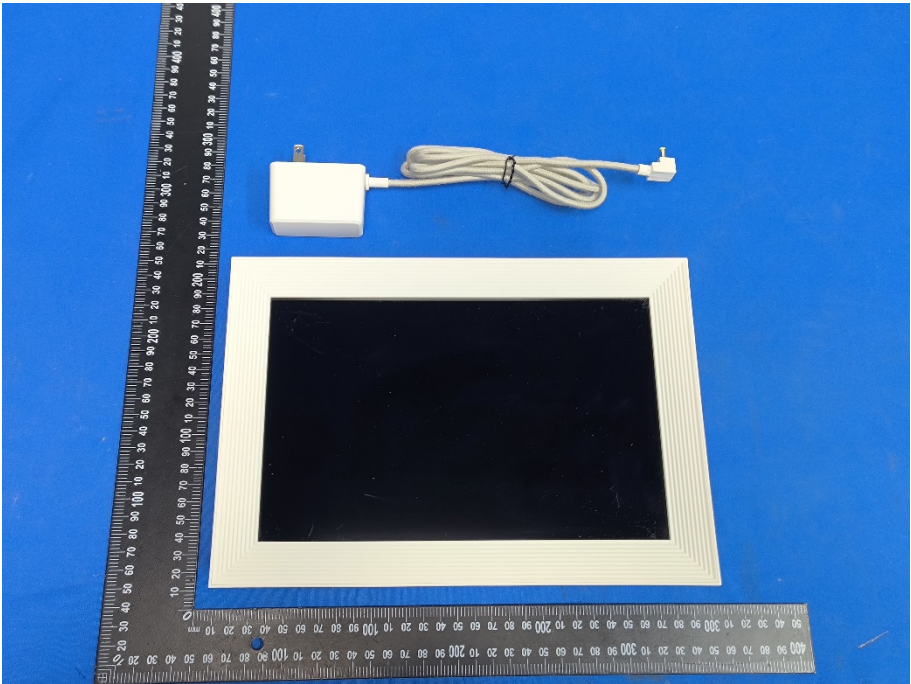

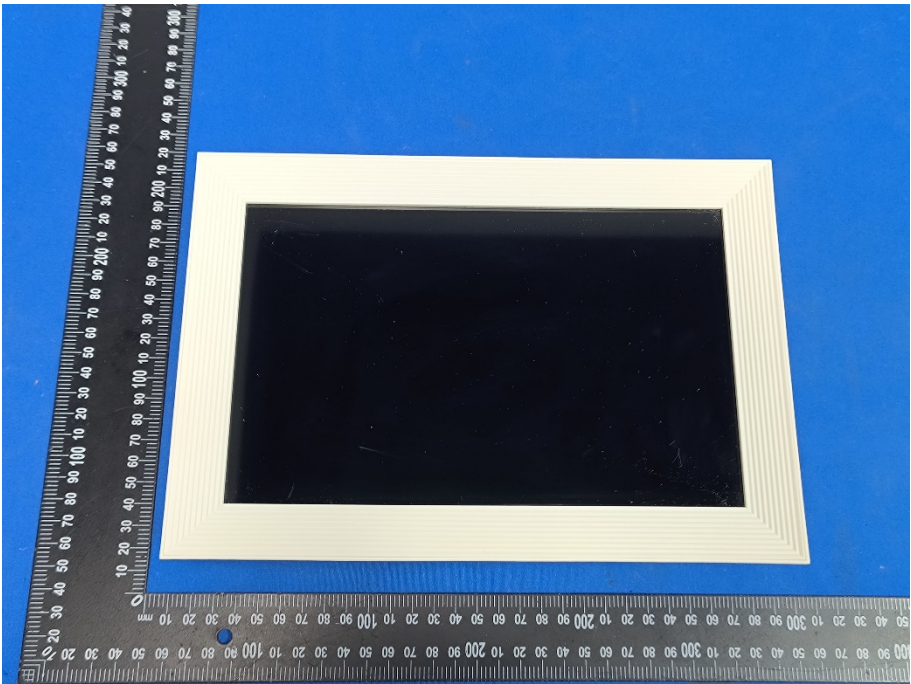

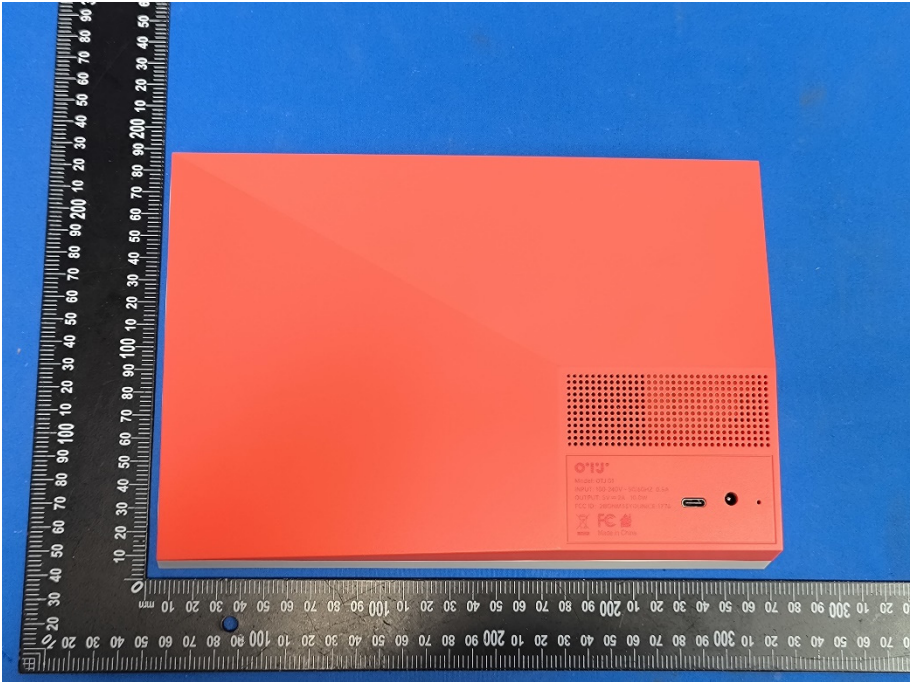

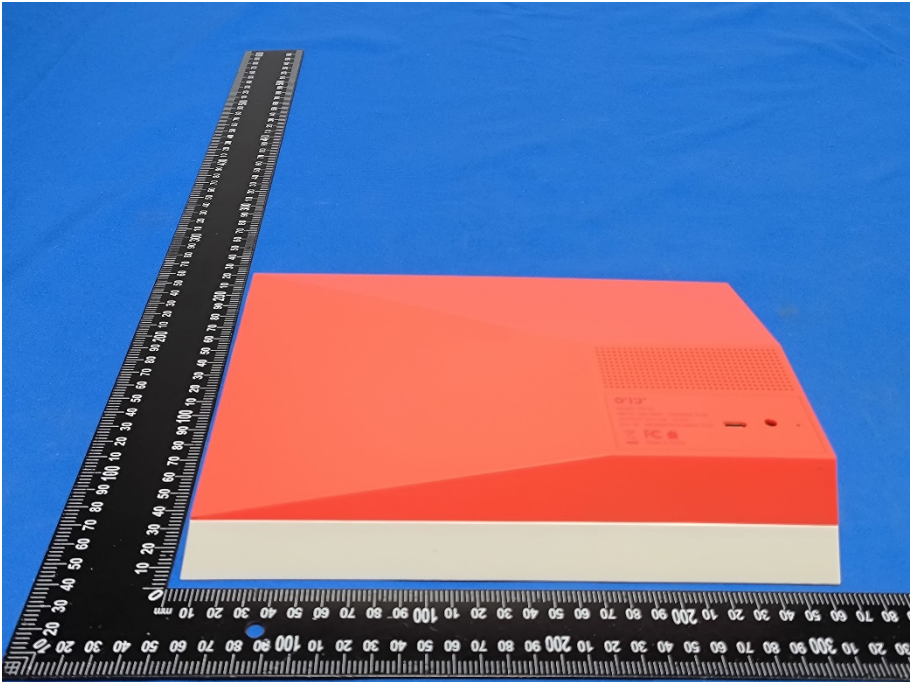

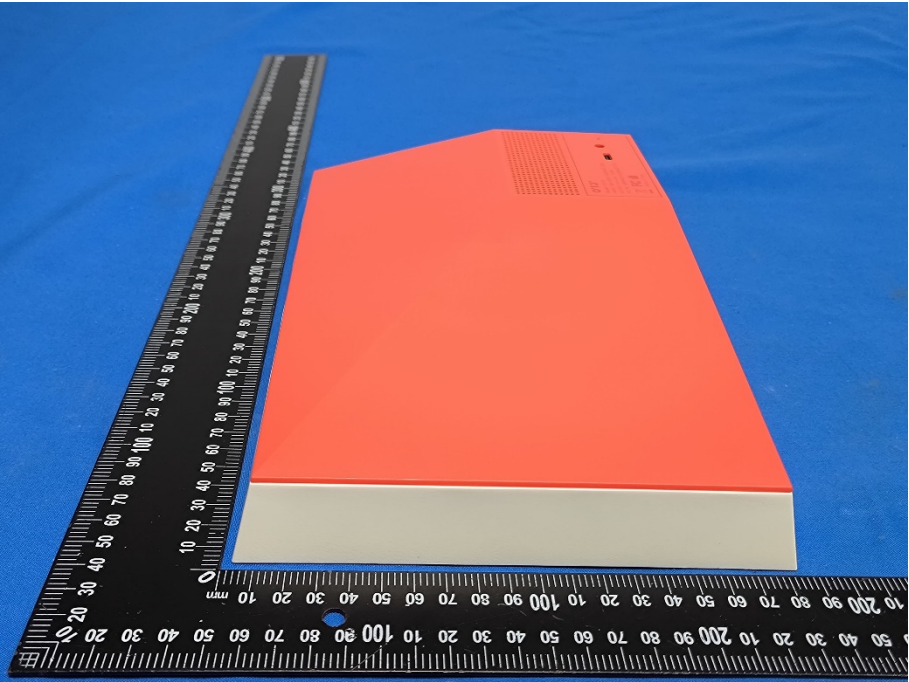

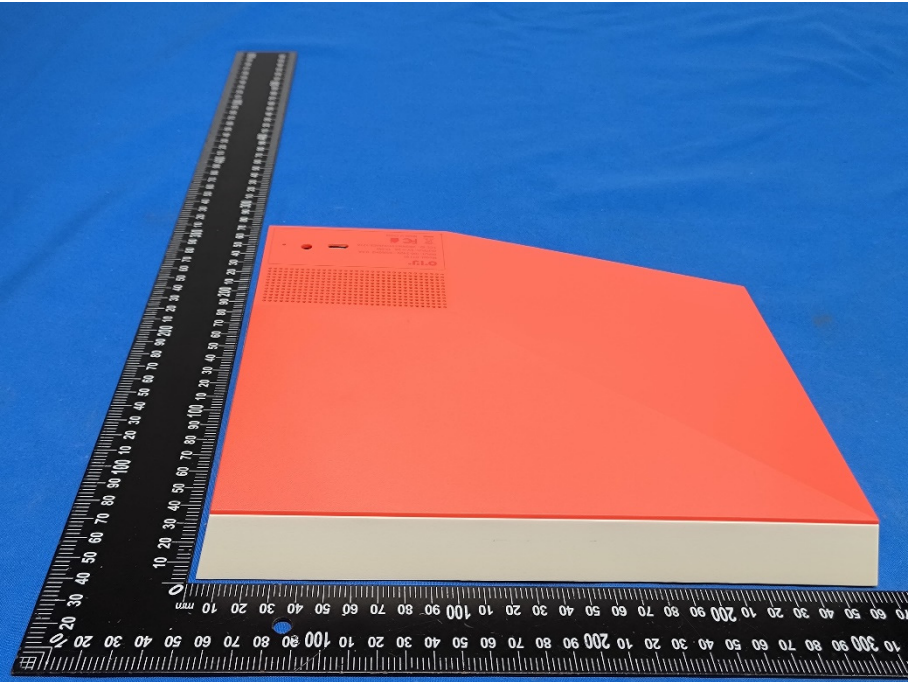

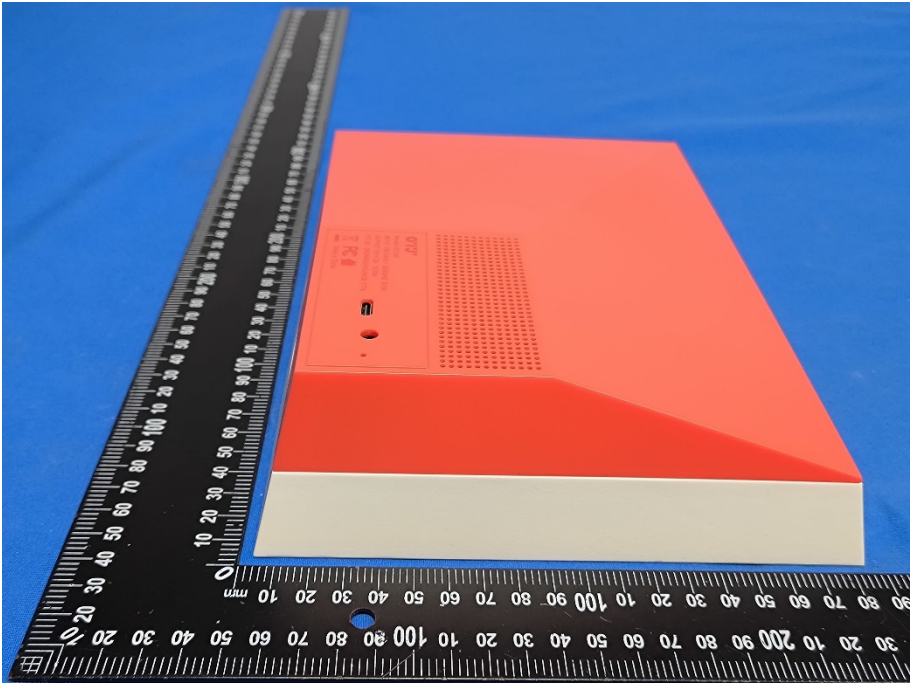

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a white, square electronic device (EUT) with a black center, placed on a blue background. A ruler is positioned vertically to the left of the device for scale. Above the device, a white power adapter and its corresponding cable are visible. The device has a white, multi-layered border around the black center.
EUT View 2	 A photograph showing the same white, square electronic device (EUT) with a black center, placed on a blue background. A ruler is positioned vertically to the left of the device for scale. This view shows the device without the power adapter and cable.

EUT View 3	 A photograph of a red, rectangular electronic device (EUT) against a blue background. A black ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The device has a black grille on the right side and a small label with text and symbols. The label includes the text "WALTEK", "Model: WTX25", "Power: 100W", "Input: 100-240V AC", "Output: 12V DC", "Frequency: 50/60Hz", and "Made in China".
EUT View 4	 A photograph of the same red electronic device (EUT) from a different angle, showing its side profile. A black ruler is placed vertically to the left of the device, showing measurements in centimeters and millimeters. The device has a black grille on the right side and a small label with text and symbols. The label includes the text "WALTEK", "Model: WTX25", "Power: 100W", "Input: 100-240V AC", "Output: 12V DC", "Frequency: 50/60Hz", and "Made in China".
