

Product Model Difference Declaration

Regarding models: DPS2400L-C, DPS2400L-D, Arc 2400 Pro, RPS2024AA-PCS, we hereby formally declare the following:

The above four product models feature identical schematic diagrams, PCB design, hardware structure, firmware programs and overall performance parameters. All product functions, electrical characteristics and quality standards are consistent, and the models are fully interchangeable.

The only differences between the models are external appearance, including housing shape, color scheme, silk screen printing and model designation. No modifications have been made to internal circuits, hardware or technical performance. These appearance differences do not affect product performance, technical parameters or certification validity.

Our company assumes full legal responsibility for the authenticity and accuracy of this declaration.

Hereby Declared.
