EUT View 13	 A photograph showing two identical black, rectangular electronic units with rounded corners. They are positioned side-by-side on a blue surface. A black ruler with white markings is placed vertically to the left of the units and horizontally below them, providing a scale. The units have several small, light-colored components on their top surfaces.
EUT View 14	 A close-up photograph of a black, textured surface. In the center, there is a small, oval-shaped metal latch or fastener. The surface has a fine, pebbled texture.
