Solder Board-Component View 6	 This photograph shows two small green PCB components from a bottom perspective. Each component has four visible solder joints. They are positioned on a blue surface next to a black millimeter ruler for scale. The ruler has markings in millimeters, with the top edge showing 0 to 100 mm and the bottom edge showing 0 to 100 mm.
Solder Board-Component View 7	 This photograph shows the same two green PCB components from a top perspective. Each component has a central silver-colored pad and four solder joints. They are positioned on a blue surface next to a black millimeter ruler for scale. The ruler has markings in millimeters, with the top edge showing 0 to 100 mm and the bottom edge showing 0 to 100 mm.
