EUT View 8

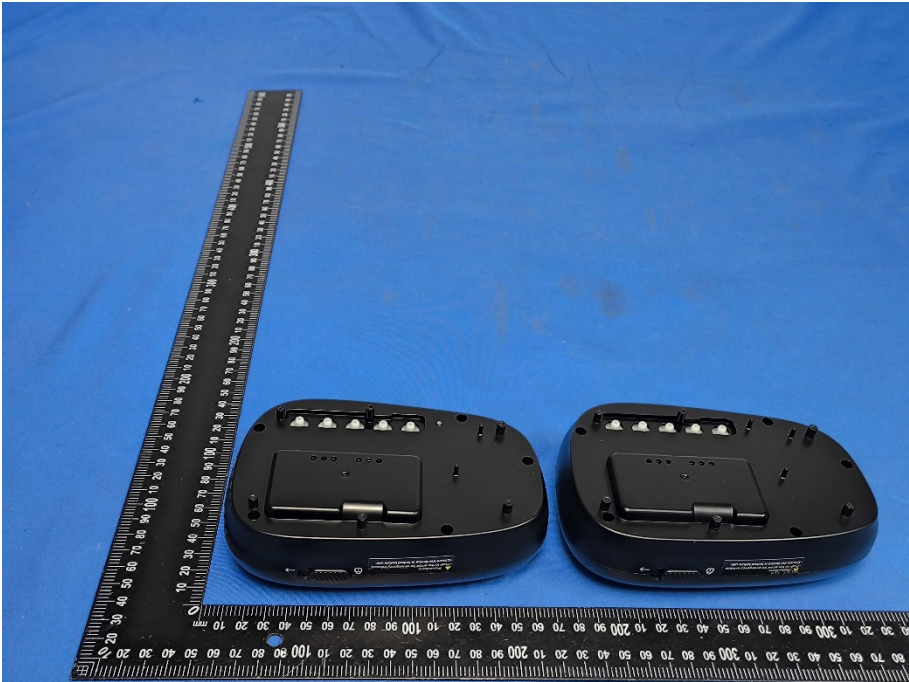

EUT View 9	 Two black, oval-shaped electronic units are shown from a top-down perspective. Each unit features a central rectangular area with four small white pins. To the left of this area, there are two rows of four white pins each. The units are placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top.
EUT View 10	 Two black, oval-shaped electronic units are shown from a bottom-up perspective. Each unit features a central rectangular area with four small white pins. To the left of this area, there are two rows of four white pins each. The units are placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top.

EUT View 11

EUT View 12

EUT View 13	 A photograph showing two identical black, oval-shaped electronic components (likely battery packs) lying side-by-side on a blue surface. A black ruler with white markings is placed vertically to the left of the components for scale. The components have a rectangular label on the front and several small pins or connectors on the back.
EUT View 14	 A close-up photograph of a black, curved surface, likely the back of a device. A small, rectangular USB port is visible, centered horizontally. The surface has a smooth, slightly reflective finish.
