EUT View 8

EUT View 9	 A photograph showing two identical black electronic units (EUTs) from a top-down perspective. They are placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically on the left and horizontally at the bottom. Each unit has a central rectangular cutout and a vertical row of five circular components on the left side.
EUT View 10	 A photograph showing two identical black electronic units (EUTs) from a top-down perspective, similar to View 9. They are placed on a blue surface next to a black ruler with white markings. The ruler is oriented vertically on the left and horizontally at the bottom. Each unit has a central rectangular cutout and a vertical row of five circular components on the left side.

EUT View 11

EUT View 12

EUT View 13	 A photograph showing two identical black, rectangular electronic devices with rounded corners. They are positioned side-by-side on a blue surface. A black ruler with white markings is placed vertically to the left of the devices, and another ruler is placed horizontally below them. The devices have several small, circular components and a central rectangular area on their top surfaces.
EUT View 14	 A close-up photograph of a black, rectangular electronic device. The focus is on a silver-colored USB port located in the center of the device's front face. The device has a matte black finish.
