

FCC Label Specification Document

1. Label Overview

This document outlines the specifications for the FCC compliance label and laser safety label to be affixed to the product identified as Model Number ZOMVG01-G01.

2. Label Dimensions and Orientation

The label is designed to be horizontal with dimensions of 70 mm (width) by 20 mm (height).

3. Model and FCC Information

Model Number: ZOMVG01

Grantee Code ID: 2BQZC

FCC ID: 2BQZC- ZOMVG01

Additional FCC Text: Contains FCC ID: 2ABCB-RPICM4

4. Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

5. FCC Logo

The official FCC logo is placed in the top-right corner of the label to indicate compliance with FCC regulations.

6. Label Layout Description

The label is arranged horizontally with the model number and FCC ID on the left, the compliance statement centered below, and the FCC logo on the top-right corner along with the laser safety label.

7. Laser Safety Label

In addition to the FCC label, the product must include a laser safety label indicating that it is a Class 1 Laser Product. This label should be yellow in color and comply with applicable laser safety standards.

8. Material

Thermal Transfer Matte Chrome Silver Polyester Label

8.1 Material

Part # 2.5-.75-TT-PLAT-4 or 2.5-.75-TT-PLAT
