User Manual

Micro Mag Magnetic Bluetooth Speaker

Notice:

Please read user manual carefully and keep it for your records.

Package includes:

- 1-Bluetooth® speaker
- 1-Charging cable
- 1-User Manual

Safety instructions:

- This product is not a toy. Use extra caution while children are using this product.
- Keep the wireless Speaker away from direct sunlight, fire and high voltage equipment. Do not store the Wireless Speaker inside a car during hot weather. Remember, a closed car acts as a greenhouse allowing the inside temperature to possibly reach over 200 degrees.
- Device may become warm while charging.
- Be assured to turn product completely off when plugging and unplugging into outlet.
- Damage, shock, and/or injury can occur if this warning is not heeded properly.

Charging:

- Connect the type-c end of the USB charging cable (included) to the USB port located on the back of the speaker. Connect the larger end of the cable to your computer's USB port or an AC adaptor. (not included)
- The LED indicator will turn red while charging.
- Once fully charged, the red LED will turn off.

Pairing:

- To turn on the speaker, long press the ON/OFF button of the speaker. To turn off the speaker, long press the ON/OFF button.
- When you turn on the device, the blue LED will flash rapidly to indicate that the speaker is in Bluetooth pairing mode. Activate the Bluetooth feature on the phone, and set the phone to search for wireless devices. (The speaker will show on your device as "Micro Magnetic Speaker")
The voice prompt will confirm that pairing was successful.

Functionality:

1. Power On/Off :

Press and hold 2-3 seconds the ON/OFF button, the unit ON/OFF

2.Play/Pause:

Press the ON/OFF button for playing or pausing.

- Power Supply: USB, DC 5V 400mA
- Battery Capacity: 600mAh

FCC WARNING

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance

could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B

digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure statement.

The device can be used in portable exposure condition without restriction

ISED Warning statement:

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

L' émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d' Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L' exploitation est autorisée aux deux conditions suivantes:

1. L' appareil ne doit pas produire de brouillage;
2. L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

ISED RF exposure statement: The device has been evaluated to meet general ISED RF exposure requirement. The device can be used in portable exposure condition without restriction.

ISED Déclaration d'exposition aux RF:

L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF d'ISED.

L'appareil

peut être utilisé dans des conditions d'exposition portable sans restriction.
