

Date: [April 14, 2026]

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

FCC ID: [2BR5U-OLLIERS1]

To whom it may concern,

This letter is to notify the Federal Communications Commission (FCC) of a Class II Permissive Change (C2PC) to the certified product with FCC ID: [2BR5U-OLLIERS1].

Existing Head Model : mzh-s202, mzu-s202

Newly added Head Model : mzu-j202 , mzu-s205, mzh-s201, mzh-s204, mzh-s206

The changes made to the product are as follows:

This C2PC is to add five (5) new optional heads. The modification is implemented solely via software updates to support various modes without any hardware or RF circuitry changes to the host device.

The original antennas and RF parameters remain identical to the initial filing. These changes do not affect compliance with applicable FCC rules, and relevant test reports are submitted to demonstrate continued conformity.

Additional Notes:

- The original FCC ID remains unchanged.
- The product continues to comply with all technical standards.
- All necessary supporting documents are included with this application.

If you have any questions regarding this submission, please contact the undersigned.

Sincerely,

Vice President / Jacob Kang
Thatway Inc.
