Ref: C2PC – Hardware Changes from Original FCC Filing
FCC ID: 2BRGL-2501T001

Technology for Energy Corporation (“the applicant”) certifies that, as of the date of the filing of the application, the applicant has not made any hardware changes to the Espressif module. There has been no change in the design, circuitry, or construction, and the original test results continue to be representative of and applicable to the equipment. There are no cosmetic changes to the module. The module was integrated into the host device following the module integration instructions from the manufacturer. Additionally, SAR testing has been completed.

Sincerely,

A handwritten signature in black ink that reads "Samuel Wozinski". The signature is written in a cursive, flowing style.
