Subject: Request for Change in FCC ID (§2.933)
Reference: Change in FCC ID

To whom it may concern:

Textron Aviation requests a Change in Identification for a currently approved device. This application will establish a new FCC ID for purpose of module leverage for multiple modules enclosed in the same product.

The original Grant for Mikrotikls SIA, under Original FCC ID: TV7R11E2HPND with a Grant Date of 02/26/2014 will remain in effect. An authorization letter from the original Grantee is attached.

We attest that the equipment is electrically identical. Only the model name, trade name and FCC ID are different. There original test results are applicable and continue to be representative of this device.

The following files are provided as attachments:

- ☒ Cover letter giving permission from the original applicant for Change in FCC ID
- ☒ External Photos showing no physical changes to the device
- ☒ New FCC ID Label and label location
- ☐ No changes to original Integration / Installation / User's Manual information
- ☒ New Integration / Installation / User's Manual

Sincerely,

Signature
