

Model difference declaration

We (IFCO Management GmbH)

Hereby declare that the following products:

Product Name: Tracker

Model: IFCO Super Node XS, TRLLN Super Node XS

These models are same with the RF parameters, PCB design, and critical components.

All models are same with electrical parameters and internal circuit structure, but only differ in model name.

Details please refer to the difference declaration file. Difference in below,

Model	MCU	OS	Hardware
IFCO Super Node XS HW: V1.2 SW: QDM123_CC2340R53	CC2340R5	freertos	Same MCU (CC2340R5), RF parameters, PCB design, and critical components.
TRLLN Super Node XS HW: V1.2 SW: QDM123_CC2340R53	CC2340R5	freertos	Same MCU (CC2340R5), RF parameters, PCB design, and critical components.

Sincerely yours,
