

KNIGHTAI TECH LIMITED

Model Confirmation Letter

We, KNIGHTAI TECH LIMITED, hereby certify that the product models listed below: M800, M800-X ('-' can be blank; 'X' can be any combination of numbers 1-99 and characters A-Z, or blank space) are considered identical products. The primary model tested is M800. These models vary only in model name due to customized exterior colors, materials, etc., tailored for different countries or regions. The applicant, manufacturer information, and product name remain the same across all variants.

Furthermore, their electrical circuit design, layout, components used, and internal wiring are identical.
