

(JUMBOAUDIO ELECTRONICS CO., LTD.)

Difference declaration

Model list:

PRO18SUB, JCH18SUB, JCH15SUB, WS1018SUB, WS1015SUB, WS0818DSP, LA15SUB, LA18SUB

All models are only different in appearance, and the schematic design and PCB Layout are the same. For specific differences, please refer to the following table. We chose PRO18SUB for RF test.

PRO18SUB model difference description		
model	size	description
PRO18SUB	510mm(Width) *700mm(Length)*665mm (Height)	Equipped with an 18-inch woofer, the wooden cabinet features a front lockable concave strip-shaped composite form iron grille.
JCH18SUB	510mm(Width) *700mm(Length)*665mm (Height)	Equipped with the same Bluetooth module as PRO18SUB, it features an 18-inch woofer and a wooden cabinet with a front lock and a flat composite shape iron grille.
JCH15SUB	475mm(Width) *550mm(Length)*580mm (Height)	It adopts the same Bluetooth module as PRO18SUB, equipped with a 15-inch woofer and a wooden box with a flat composite shape iron mesh on the front.
WS1018SUB	530mm(Width) *600mm(Length)*660mm (Height)	Using the same Bluetooth module as PRO18SUB, it is equipped with a 18-inch bass speaker. The front of the wooden box features a lock with an arc-shaped composite iron mesh.
WS1015SUB	475mm(Width) *550mm(Length)*580mm (Height)	Using the same Bluetooth module as PRO18SUB, equipped with a 15-inch bass unit, and featuring a lockable concave arc-shaped composite iron mesh on the front of the wooden box.
WS0818DSP	580mm(Width) *780mm(Length)*560mm (Height)	Equipped with the same Bluetooth module as PRO18SUB, it features a 18-inch bass unit. The wooden box is placed horizontally with a locking flat iron mesh on the front, and has dual handles on the sides.
LA15SUB	495mm(Width) *650mm(Length)*480mm (Height)	Using the same Bluetooth module as PRO18SUB, equipped with a 15-inch bass unit, with a wooden box front featuring a locking flat iron mesh, and hanging accessories on the sides.
LA18SUB	595mm(Width) *750mm(Length)*510mm (Height)	Using the same Bluetooth module as PRO18SUB, it is equipped with a 18-inch bass unit. The front of the wooden box is equipped with a locking flat iron mesh, and hanging hooks are installed on the sides.
