BLAZETRACK PRIVATE LIMITED has spent substantial effort in developing this product, and it is one of the first of its kind in the industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests that the exhibits listed above be permanently withheld from public review due to the fact that they contain trade secrets and proprietary information not customarily released to the public.

(*** Exceptional case for Permanent Confidentiality for these Exhibits by PAG only)

Short-Term Confidentiality:

The applicant requests that the exhibits selected above, as short-term confidential, be withheld from public view for a period of a specified number of days not to exceed 180 days from the date of the Grant of Equipment Authorisation and before marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public. Applicant is also aware that they are responsible for notifying TUV Rheinland in the event of information regarding the product or if the product is made available to the public. TUV Rheinland will then release the documents listed above for public disclosure pursuant to [FCC Public Notice DA 04-1705](#).
