- Age Recommendation: Suitable for children aged 3 and above, under adult supervision. Parents should guide younger children in proper use and monitor their activity.
- Outdoor Use: If labeled for outdoor use, avoid extreme temperatures and direct strong sunlight.
- If the battery overheats during use, charging, or storage, stop use immediately. Charge out of children’s reach. Do not charge in flammable or explosive environments. Use only compatible chargers.

⚠ WARNING:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

⚠ WARNING:

CHOKING HAZARD – Small parts. Not for children under 3 yrs.

WARNING! Not suitable for children under 36 months.

WARNING:

Contains small parts (e.g., button batteries, antenna connectors) – risk of choking if swallowed.

WARNING:

Use only the included USB charger. Do not charge non-rechargeable batteries – risk of explosion or leakage.

WARNING:

Do not hold the device close to ears for extended periods. High volume may cause permanent hearing damage. Adjust volume to a safe level before use.

WARNING:

The antenna is not a toy. Do not bend, twist, or pull the antenna – risk of breakage and sharp edges.

⚠ WARNING:

Not suitable for children under 36 months- Longcord. Strangulation hazard.

⚠ WARNING:

To avoid danger of suffocation, keep this plastic bag away from babies and children.

⚠ WARNING:

CHOKING HAZARD—Small parts.Not for children under 3 yrs.
