

USER MANUAL AND SAFETY INFO

Welcome to the KID Community

**All of our
features focus
on Creation
over
Consumption**

In order to keep our focus on creation and connection, all generations on the KID Device run in a privatized cloud that only you can access.

For all KID Creative Functions, you will need

A wifi connection and a KID + Subscription

User Manual

Device Setup:

To Setup KID, download the KID Parent App using the QR Code in the Box and enable Bluetooth on your phone.

Once you have downloaded the App, create an account.

Once you have downloaded the parent app, click the center button on the top of your device to turn it on

Once your device has powered on, connect the device to your parent app and input your wifi password.

Once your device has been connected to your parent app, select your KID + subscription

Enjoy the creativity!

Safety Information

Please read all instructions before using this product. Keep this manual for future reference. Failure to follow these safety instructions could result in injury, damage, or loss of data.

GENERAL WARNINGS

- This product is intended for children **aged 4 years and above**.
- **Adult supervision is required** when the product is being used, charged, or maintained.
- This device is **not a toy** and contains electronic components that require careful handling.
- **Do not allow children under 3 years old** to handle the device. Small parts may present a choking hazard.

- Use the device **only as described** in this manual.

ELECTRICAL AND BATTERY SAFETY

- Use **only the supplied charger and USB cable**. Using other accessories may damage the device or pose safety risks.
- ****Do not charge near water**** or in damp environments (e.g., bathrooms, kitchens).
- An **adult should perform all charging** of the device.
- Charge the product in a **well-ventilated area**, away from flammable materials.
- The battery is non-**replaceable and non-serviceable**. Do not attempt to open, crush, puncture, or short-circuit the battery.
- Stop using the product immediately if it becomes hot, emits an unusual odor, leaks, or shows signs of damage.
- Unplug the charger once charging is complete. Do not leave the device connected to power for extended periods.

PHYSICAL SAFETY

- Do not drop, throw, or step on the device.
- Keep away from sharp objects that could puncture or scratch the surface.
- Avoid placing heavy objects on the device.
- Do not allow the device to be bitten, chewed, or otherwise placed in the mouth.
- Use only approved accessories designed for this product.

ENVIRONMENTAL CONDITIONS

- Operate between **0°C and 35°C (32°F–95°F)**.
- Do not expose the device to direct sunlight for long periods or leave it inside a hot vehicle.
- Protect the device from water, rain, and excessive humidity.
- Store in a ****cool, dry place**** when not in use.

HEALTH AND COMFORT

- To protect your child's eyes, **limit continuous screen use** to short sessions (20–30 minutes), followed by a break.
- Maintain a **safe viewing distance** (at least 30 cm / 12 inches).
- Adjust brightness and volume to comfortable levels.
- Avoid listening through headphones at high volumes to prevent hearing damage.
- Encourage correct sitting posture during use.

PRIVACY AND ONLINE SAFETY

- Parents or guardians should **set up and manage** all accounts and Wi-Fi connections.
- **Monitor your child's online activity** and use of connected features.
- Do not share personal information such as names, addresses, or photos without parental consent.
- Enable parental controls and safe browsing features if available.

CLEANING AND MAINTENANCE

- Turn off and unplug the device before cleaning.
- Use a **soft, dry cloth**. Do not use liquids, sprays, or harsh chemicals.
- Do not attempt to disassemble, modify, or repair the device. For service, contact customer support.
- Keep charging ports and jacks free of dust and debris.

REGULATORY AND DISPOSAL INFORMATION

- This product complies with **COPPA, PRIVO, CPC**
- Do not dispose of this product or battery with household waste.
- Follow local recycling and electronic waste disposal regulations.

CUSTOMER SUPPORT

If you notice any unusual heat, noise, smoke, or smell, **stop using the device immediately** and disconnect it from power.

Contact our customer service for assistance or replacement information.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

changes or modifications not expressly approved by the party responsible for

for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device meets the FCC radiation exposure requirements set forth for an uncontrolled environment. The requirements set a SAR limit of 1g 1.6 W/kg averaged over one gram of tissue.
